The Right To Die Caring

However, if women have the 'right to choose' death for their unborn child, an even stronger case could be mounted – and indeed, is being mounted – for the right to kill themselves; and if they need help to do so, 'right to die' advocates also argue that they should have that help, since in the interests of free choice we should not 'discriminate' against those who cannot kill ...

Culling in the care homes? The right to die - if you haven ...

Dignity in death is as important as dignity in life, and people should therefore have the right to decide the timing and circumstances of their own deaths. Supporters of a change in the law argue that concerns about pressure on vulnerable people could be dealt with by legislating for adequate procedural safeguards, for example the consent of one or more medical practitioners, or the involvement of the family court.

The right to die and assisted suicide - UK Parliament

You have the right to express your wishes about where you would like to receive care and where you want to die. You can receive end of life care at home, or in care homes, hospices or hospitals, depending on your needs and preference. People who are approaching the end of life are entitled to high-quality care, wherever they're being cared for.
