Principles of Marketing Management Assignment Sample

When marketing a service, it's important to remember that (a) service products on the right side of the continuum (i.e., those with greater intangibility) are different from goods products on the left side of the continuum, and (b) service products tend to require certain adjustments in their marketing strategy on account of these differences.

Products and Services | Principles of Marketing

Marketing principles or principles of marketing are agreed-upon marketing ideas companies use for an effective marketing strategy. They are the principles upon which we build product promotion strategies. We can use the marketing principles for the effective promotion of either goods or services. Some companies may follow the 4Ps Strategy (or 4P Strategy). The term ‘4Ps’ stands for product, price, place, and promotion. Some people refer to it as the 4P Marketing Matrix.
