Slovakia The European Union Political

Slovakia is a parliamentary democratic republic with a head of government - the prime minister - who holds the most executive power and a head of state - the president - who is the formal head of the executive, but with very limited powers. The country is subdivided into 8 regions, each named after its principal city.

Slovakia | European Union

Despite a decade and a half of European Union (EU) membership, Slovakia remains caught between the two competing pressures: one of corruption and the other of the rule of law. On the one hand, the rule of law heavily shaped by the intense Europeanization of Slovakia's accession to the EU and its strong

desire to be seen as a committed, highly integrated European partner, indeed part of the core of EU nations.

Slovakia and the European Union - Oxford Research ...

The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These areas are primarily under the control of the EU's member states although a certain amount of structured co
