Book Description. Principles of Management is adapted from a work produced by a publisher who has requested that they and the original author not receive attribution. This adapted edition is produced by the

University of Minnesota Libraries Publishing through the eLearning Support Initiative.

Principles of Management - Open Textbook

The Principles of Management heavily relies of the POLC method of Planning, Organizing, Leading, and Controlling. The text was unique in covering the basics of each area within each context while tying it in with many factors that managers deal with. It had many concepts of most Principles of Management resources for assisting students in learning.

Very informative book
on management
principles. The book
was well organized and
made points clearly
and concisely.
However, I will say
reading this using the
Flatworld website was
a mess. Their reader is

extremely limited and only works properly with Google Chrome (broken on Mozilla Firefox).
