This Year It Will Be Different

And Other Stories *Dell*

From the New York Times bestselling author of *Circle of Friends* and *The Glass Lake* comes *This Year It Will Be Different*, a stunning new work that brings us the magic and spirit of Christmas in fifteen stories filled with Maeve Binchy's trademark wit, charm, and sheer storytelling genius. Instead of nostalgia, Binchy evokes contemporary life; instead of Christmas homilies, she offers truth; and instead of sugarplums, she brings us the nourishment of holidays that precipitate change, growth, and new beginnings. In "A Typical Irish Christmas," a grieving New York widower heads for a holiday in Ireland and finds an unexpected destination not just for himself, but for a father and daughter at odds. The title story "This Year It Will Be Different" also delves into the emotions of a person at mid-life—a woman with a complacent husband and grown children who are entering a season that can forever alter her life, and theirs. In "Pulling Together," a teacher not yet out of her twenties sees her affair with a married man at a turning point as Christmas Eve approaches—and she may be off on a new direction with some unusual friends. And in the delightful tale "The Hard Core," the four most recalcitrant residents of a nursing home are left alone at Christmas with the owner's daughter in charge: the result is sure to be disaster—or the kind of life-affirming renewal that only the spirit of the season can bring. The stories in *This Year It Will Be Different* powerfully evoke many lives—step-families grappling with ex's, long-married couples faced with in-law problems, a wandering husband choosing between "the other woman" and his wife, a child caught in grown-up tugs-of-war—during the one holiday when feelings cannot be easily hidden. The time of year may be magical, imbued with meaning. But the situations are universal. And Maeve Binchy makes us care about them all. As the *Philadelphia Inquirer* noted, "Maeve Binchy's people come to life fully. They make you laugh and cry and disturb your sleep." They do precisely that in this extraordinary collection, on the night before Christmas when we are snug in our beds, or anywhere, any time of the year.

As the Wicked Watch

The First Jordan Manning Novel *HarperCollins*

The first in a thrilling new series from Emmy Award-winning TV Host and Journalist Tamron Hall, *As the Wicked Watch* follows a reporter as she unravels the disturbing mystery around the deaths of two Black girls; the work of a serial killer terrorizing Chicago. When crime reporter Jordan Manning leaves her hometown in Texas to take a job at a television station in Chicago, she's one step closer to her dream: a coveted anchor chair on a national network. Jordan is smart and aggressive, with unabashed star-power, and often the only woman of color in the newsroom. Her signature? Arriving first on the scene—in impractical designer stilettos. Armed with a master's degree in forensic science and impeccable instincts, Jordan has been able to balance her dueling motivations: breaking every big story—and giving a voice to the voiceless. From her time in Texas, she's covered the vilest of human behaviors but nothing has prepared her for Chicago. Jordan is that rare breed of a journalist who can navigate a crime scene as well as she can a newsroom—often noticing what others tend to miss. Again and again, she is called to cover the murders of Black women, many of them sexually assaulted, most brutalized, and all of them quickly forgotten. All until Masey James—the story that Jordan just can't shake, despite all efforts. A 15-year-old girl whose body was found in an abandoned lot, Masey has come to represent for Jordan all of the frustration and anger that her job often forces her to repress. Putting the rest of her work and her (fraying) personal life aside, Jordan does everything she can to give the story the coverage it desperately requires, and that Black children rarely receive. Jordan is convinced that there's a serial killer on the loose and he's hiding in plain sight.

The Road *Vintage*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.
