Ask and It Is Given *National Geographic Books*

"One of the most valuable things about Ask and It Is Given is that Abraham gives us 22 different powerful processes to achieve our goals. No matter where we are, there's a process that can make our lives better. I love this book, and I love Esther and Jerry Hicks!" — Louise Hay, the best-selling author of *You Can Heal Your Life* Ask and It Is Given, by Esther and Jerry Hicks, presents the teachings of the nonphysical entity Abraham, to help you learn how to manifest your desires so that you're living the joyous and fulfilling life you deserve. As you read, you'll come to understand how your relationships, health issues, finances, career concerns, and more are influenced by the Universal laws that govern your time/space reality—and you'll discover powerful processes that will help you go with the positive flow of life. It's your birthright to live a life filled with everything that is good—and this book will show you how to make it so in every way!

Money, and the Law of Attraction *Hay House Incorporated*

Offers guidance in using the principles of the "law of attraction" to attain physical and financial well-being.

Ask And It Is Given *Hay House, Inc*

A sit-down interview with Esther and Jerry Hicks as they relate their story and introduce the Non-Physical group consciousness Abraham.

The Essential Law of Attraction Collection *Hay House, Inc*

For more than two decades, international best-selling authors Esther and Jerry Hicks have produced the Leading Edge Abraham-Hicks teachings, inspiring countless people through their workshops, CDs/DVDs, and books. Now, three of their most beloved titles are gathered into a single volume: • The Law of Attraction presents the powerful basics of the original Teachings of Abraham®. You've most likely heard the saying "Like attracts like," and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never been explained in as clear and practical terms as it is in these pages. • Money, and the Law of Attraction shines a spotlight on two subjects troubling many people today: money and physical health. This book has been written to deliberately align you with the most powerful law in the universe—the Law of Attraction—so that you can make it work specifically for you, no matter what your life experience may be. • The Vortex will help you understand every relationship you are currently involved in or have ever experienced. It uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the creative Vortex that has already assembled the relationships that you have desired. The Essential Law of Attraction Collection is the perfect read for those who want to deepen their understanding of the Teachings of Abraham, as well as anyone who would like to have three wonderful books by Esther and Jerry together in one special edition!

A Happy Pocket Full of Money *Hampton Roads Publishing*

A Happy Pocket Full of Money, first self-published in 2001, so impressed Rhonda Byrne, that she asked David Gikandi to become a consultant on The Secret. In A Happy Pocket Full of Money, Gikandi explains that true wealth is not about having buckets of cash, but rather understanding the value within. True wealth flows out of developing "wealth consciousness," that incorporates gratitude, a belief in abundance, and an ability to experience joy in life. He explores how recent discoveries in theoretical physics are relevant for the creation of personal wealth and shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. A Happy Pocket Full of Money features: --How to use an internal mantra to build wealth consciousness. --How to be conscious and deliberate about your thoughts and intentions. --How to decide, define, and set goals you can believe in. --How to act on your beliefs and overcome challenges. --How to incorporate gratitude, giving, and faith to experience abundance and joy in life. This inspirational book will change how you view and create money, wealth, and happiness in your life.

The Amazing Power of Deliberate Intent *Hay House, Inc*

This leading-edge book by Esther and Jerry Hicks, who present the teachings of the nonphysical entity Abraham, is about having a deliberate intent for whatever you want in life, while at the same time balancing your energy along the way. But it's important to note that the awareness of the need to balance your energy is much more significant than goal-setting or focusing on ultimate desires. And it is from this very important distinction that this work has come forth. As you come to understand and effectively practice the processes offered here, you will not only achieve your goals and desired outcomes more rapidly, but you'll enjoy every single step along the path even before their manifestation. As such, you'll find that the living of your life is an ongoing journey of joy, rather than a series of long dry spells between occasional moments of temporary satisfaction.

The Astonishing Power of Emotions *Hay House, Inc*

Abraham, channeled through Esther Hicks, explains how to understand emotions and follow the life-affirming guidance that they provide, in a book that discusses how to deal with thirty-three specific situations.

The Law of Attraction *Hay House, Inc*

The New York Times best-selling authors of Ask and It Is Given and The Law of Deliberate Intent This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll learn how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the Law of Attraction (that which is like unto itself is drawn). You've most likely heard the saying "Like attracts like," "Birds of a feather flock together," or "It is done unto you as you believe" (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by New York Times best-selling authors, Esther and Jerry Hicks. Learn here about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The understanding that you'll achieve by reading this book will take all the

guesswork out of daily living. You'll finally understand just about everything that's happening in your own life as well as in the lives of those you're interacting with. This book will help you to joyously be, do, or have anything that you desire!

Ask and It Is Given *ReadHowYouWant.com*

Sunlight is beginning to spill across the Malibu coastline as I begin this Preface. And the deep indigo tint of the Pacific Ocean at this time of the morning seems to match the depth of pleasure I'm feeling as I'm imagining the value you're about to receive from the revelations within this book. Ask and It Is Given is certainly a book about our "asking" being answered by All-That-Is. But it's primarily about how whatever we're asking for is being given to us - and it's also the first book to ever, in such clear terminology, give us the simple practical formula for how to ask for, and then how to receive, whatever we want to be, do, or have. Decades ago, while searching for plausible answers to my never-ending quest to know what "It" is all about, I discovered the word ineffable (meaning "incapable of being expressed in words"). Ineffable coincided with a conclusion I'd formed relative to It. I had decided that the closer we get to knowing the "Non-Physical," the fewer words we have for clearly expressing It. And so, any state of complete knowing would also, therefore, be a state of ineffability. In other words, at this point in our time-space reality the Non-Physical cannot be clearly expressed with physical words. Throughout physical history, we've evolved to, through, and into billions of philosophies, religions, opinions, and beliefs. Yet, with the billions upon billions of thinkers thinking, concluding, and passing their beliefs on to the next generations, we have not - at least not in any words we can agree on - found physical words to express the Non-Physical. This book offers you a hands-on course in spiritual practicality. It's a how-to book in the broadest sense of the term - that is, how to be, do, or have anything that pleases you. This book also teaches you how not to be, do, or have anything that displeases you.----Jerry

Sara *Hay House, Inc*

This book offers you, the reader, a thoughtful and inspired formula for generating appreciation, happiness, and good feelings—deftly blended into the uplifting story of a plucky, inquisitive girl named Sara; and her teacher, an ethereal owl named Solomon. There's something in Sara for any child, adult, or teen pursuing joy and meaning . . . and searching for answers about life, death, and the desires of the heart. It's filled with techniques and processes for making one's dreams come true . . . especially yours! Sara and Solomon will delight and enchant you!

Manifest Your Desires *ReadHowYouWant.com*

This information-packed book, which presents the teachings of the Non-Physical entity Abraham, will help you learn how to manifest your desires so that you're living the joyous and fulfilling life you deserve. Ask & It Is Given: The Processes *National Geographic Books*

Based on the best-selling book *Ask and It Is Given*, this CD set by Esther and Jerry Hicks, presents the teachings of the non-physical entity Abraham, and will help you learn how to manifest your desires so that you're living the joyous and fulfilling life you deserve. As you listen, you'll come to understand how the universal laws that govern your time/space reality influence your relationships, health issues, finances, career concerns, and more.

The Vortex *Hay House, Inc*

#1 New York Times best-selling authors Esther and Jerry Hicks present The Teachings of Abraham through their timeless book, *The Vortex*. The Vortex will help you understand every relationship you are currently involved in, as well as every one you have ever experienced. The Law of Attraction is at the root of everything you experience. Everyone who turns up in your life – from the people you call friends or lovers, to the people you call enemies or strangers – comes in response to your Vibrational asking. You not only invite the person, but you also invite the personality traits of the person. This book uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the powerful creative Vortex that has already assembled the relationships that you have desired. Abraham will show you how to enter that Vortex, where you will rendezvous with everything and everyone you have been looking for. “The purpose of this book is not only to help you remember the process of creation – and to remember the Pure, Positive Energy platform from which you have come – but to help you remember the power of this Cortex and to remind you of your Emotional Guidance System so that you can consciously and deliberately achieve the Vibrational frequency of your vortex.” - Abraham Included is a link to download audio on the Law of Attraction!

Ask and It Shall Be Given *CreateSpace*

"Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened." Matthew 7:7-8 Jesus made three specific promises about prayer: 1. Everyone Asking in prayer will receive. 2. Everyone Seeking something in prayer will find what they are looking for. 3. Everyone Knocking on spiritual doors in prayer will eventually see them opened. With such an incredible guarantee, why are we not receiving everything we ask for? Either Matthew 7:7-8 is not true, or we need to learn the true meaning of Asking, Seeking and Knocking. It's time to take hold of the promise and begin Asking, Seeking and Knocking our way toward guaranteed results! This book is divided into three sections, which examine Asking, Seeking and Knocking, followed by a 7 day devotional.

Sara *Hay House, Inc*

From that opening exclamation, this second Sara novel rampages through chapter after chapter of fun and adventure. Solomon (the owl from the first book who "speaks without moving his lips") reappears and gives Sara and her classmate Seth a fresh and enlightening perspective on life on this planet. Simply put, these two adventurous, tree-climbing friends dialogue with their ethereal

feathered mentor regarding their varied (and sometimes confusing) experiences with parents, teachers, other students, neighbors, and property owners. The clarity, understanding, and wisdom that Solomon gives them results in some surprisingly practical views on the rules of the game of life. This is a must-read book for young people of all ages!

Summary of Esther & Jerry Hicks's Ask and It Is Given *Everest Media LLC*

Please note: This is a companion version & not the original book. Sample Book Insights: #1 All physical humans have Non-Physical counterparts. There is no exception to that. All who are physically focused have access to the broader perspective of what is Non-Physical. However, most physical beings have developed strong patterns of resistance that thwart their clear connection to their own Source. #2 This book will help you understand who you are, where you come from, and where you are going. It will teach you how you create your own experiences and why all your power is in your present moment.

Ask a Manager *Ballantine Books*

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Black Book of Communism *Harvard University Press*

Collects and analyzes seventy years of communist crimes that offer details on Kim Sung's Korea, Vietnam under "Uncle Ho," and Cuba under Castro.

Just Ask! Penguin

Supreme Court Justice Sonia Sotomayor and award-winning artist Rafael Lopez create a kind and caring book about the differences that make each of us unique. A #1 New York Times bestseller! Winner of the Schneider Family Book Award! Feeling different, especially as a kid, can be tough. But in the same way that different types of plants and flowers make a garden more beautiful and enjoyable, different types of people make our world more vibrant and wonderful. In Just Ask, United States Supreme Court Justice Sonia Sotomayor celebrates the different abilities kids (and people of all ages) have. Using her own experience as a child who was diagnosed with diabetes, Justice Sotomayor writes about children with all sorts of challenges--and looks at the special powers those kids have as well. As the kids work together to build a community garden, asking questions of each other along the way, this book encourages readers to do the same: When we come across someone who is different from us but we're not sure why, all we have to do is Just Ask. Praise for Just Ask: * "Addressing topics too often ignored, this picture book presents information in a direct and wonderfully child-friendly way." --Booklist, *STARRED REVIEW* "An affirmative, delightfully diverse overview of disabilities." --Kirkus Reviews "A hopeful and sunny exploration of the many things that make us unique [with] dynamic and vibrant illustrations [that] emphasize each character's unique abilities. . . . A thoughtful and empathetic story of inclusion." --SLJ

Leviathan Wakes Orbit

From a New York Times bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system—Mars, the Moon, the Asteroid Belt and beyond—but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for—and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations—and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." —George R. R. What happens when you bring together one of the most inspirational spiritual teachers of all time and the Master Sages of the Universe? A magical, insightful, invigorating encounter you will never forget! In this tradepaper edition of the awe-inspiring book based on a live event held in Anaheim, California, Dr. Wayne W. Dyer sits down with Esther Hicks and the wise Collective Consciousness known as Abraham. Wayne asks all the questions he has accumulated from his more than 40 years of teaching others about self-reliance and self-discovery, and Abraham delivers the answers we all need to hear. Topics include: • Parenting, parents, and the continuum of life • Can we reach the state of "love that has no opposite"? • Dharma, destiny, and being on your path • Dealing with bad news • Are there ascended masters and guides? • Monsanto and GMOs • and many more! While Wayne and Esther have been friends for years, this is the first time that he engages with Abraham in an extended dialogue about life's many lessons and perplexing questions. Read this book and experience this extraordinary meeting of the minds for yourself!

If you feel stuck with no idea what you should do next, lifestyle celebrity and TV pioneer Debbie Travis's new book is for you. Drawing on the tough (sometimes hilarious) lessons Debbie learned in her own leap into a new way of living, and a multitude of stories, tips and ideas to jumpstart your dreams, she's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career and she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life--a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now, after a crazy amount of work, she is not only living that dream but sharing it with others. Her new book draws directly on her own experiences (when she started, Debbie could barely make a bed, let alone run a hotel in a foreign county) and the uplifting stories of personal u-turns shared by women who have come to her retreats. Debbie's "commandments" will inspire women (and men) who have lost track of who they

are or what they want to be; who are going through the motions of a career that doesn't satisfy them anymore; who are wondering what to do with themselves now that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life, and her example, her wit and her common sense advice will help motivate anyone who finds themselves standing at a crossroads wondering "What's next for me?"

The Gospel According to Matthew *Canongate U.S.*

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

How to Analyze People on Sight *Samaira Book Publishers*

Modern science has proved that the fundamental traits of every individual are indelibly stamped in the shape of his body, head, face and hands-an X-ray by which you can read the characteristics of any person on sight. The most essential thing in the world to any individual is to understand himself. The next is to understand the other fellow. For life is largely a problem of running your own car as it was built to be run, plus getting along with the other drivers on the highway. From this book you are going to learn which type of car you are and the main reasons why you have not been getting the maximum of service out of yourself. Also you are going to learn the makes of other human cars, and how to get the maximum of co-operation out of them. This co-operation is vital to happiness and success. We come in contact with our fellowman in all the activities of our lives and what we get out of life depends, to an astounding degree, on our relations with him.

Atomic Habits *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving

physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Health, and the Law of Attraction Cards

"Every part of your life is experienced through the perspective of your physical body, and when you feel good, everything you see looks better. And so, there are few things of greater value than the achievement of health and physical well-being. "Not only does a good-feeling body promote positive thoughts, but, also, positive thoughts promote a good-feeling body. It is our expectation that as you ponder these cards, a new point of attraction will begin to be activated within you that eventually can lead to a wonderful mood or attitude, for if you are able to find feelings of relief even when your body is hurting or sick, you will find physical improvement, because your thoughts create your reality." — Esther & Jerry

Lessons in Chemistry *Doubleday Canada*

A delight for readers of *Where'd You Go, Bernadette*, this blockbuster debut set in 1960s California features the singular voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Elizabeth Zott is not your average woman. In fact

Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the 1960s and despite the fact that she is a scientist, her peers are very unscientific when it comes to equality. The only good thing to happen to her on the road to professional fulfillment is a run-in with her super-star colleague Calvin Evans (well, she stole his beakers). The only man who ever treated her—and her ideas—as equal, Calvin is already a legend and Nobel nominee. He's also awkward, kind and tenacious. Theirs is true chemistry. But as events are never as predictable as chemical reactions, three years later Elizabeth Zott is an unwed, single mother (did we mention it's the early 60s?) and the star of America's most beloved cooking show *Supper at Six*. Elizabeth's singular approach to cooking ("take one pint of H₂O and add a pinch of sodium chloride") and independent example are proving revolutionary. Because Elizabeth isn't just teaching women how to cook, she's teaching them how to change the status quo. Laugh-out-loud funny, shrewdly observant and studded with a dazzling cast of supporting characters (including the best canine character in years), *Lessons in Chemistry* is as original and vibrant as its protagonist.

Think and Grow Rich *St. Martin's Essentials*

Napoleon Hill's life changing philosophy of success, originally published in 1937, has sold millions of copies and changed just as many lives. His simple, revolutionary "13 Steps to Riches" form a philosophy of empowerment that will allow you to seize the life you want and achieve the success you've dreamed of. *Think and Grow Rich* has been credited with helping to inspire more people to become millionaires and billionaires than any other book in history. And now, in this new edition, it will bring the timeless message to the next generation. With the stunning, modern package, this unique edition features not only the original and complete 1937 text, but also includes two exciting pieces from Napoleon Hill—"Let Ambition Be Your Master" and "What I Learned from Analyzing Ten Thousand People"—that are only available here.
