Pythagoras was the source of Plato's theory of the transmigration of the soul, an early version of reincarnation. The soul is eternal but may become entrapped in a series of incarnations during its eternal migration. Redemption occurs when the chain or series of incarnations end and the soul is free to live a bodiless existence.

and dance music to hip hop and contemporary R&B. It developed in the USA in the late 1950s from African American church music called "gospel music".

History of Soul Music | Vocabulary | EnglishClub

You may remember that the Bible was originally written mainly in Hebrew and Greek. When writing about the soul, the Bible writers used the Hebrew word ne'phesh or the Greek word psy·khe'. These two words occur well over 800 times in the Scriptures, and the New World Translation renders them “soul,” either in the main text or in footnotes.
