The Magic Book By Harry

Harry Lorayne's "The Magic Book" provides an excellent overview of sleight of hand magic. It's written for the beginner, but it provides enough material that will take months to master. [I consider it one of the two must-reads for the beginner, along with Mark Wilson's Complete Course in Magic.] The book mainly discusses card magic, coin magic, and mentalism and "mental calculator" magic - with some other miscellaneous magic thrown in.
