Art of the Deal is an
inspiring excavation of
the many building
blocks of the art
market, weaving a
succinct walkthrough
of art historical insights
with clever
perspectives on
contemporary practice.
I finished the book
astonished that
something similar had
not been written long

Appreciate the insight
into Art funds, Video
and Experiential Art. It
is a fact of life in the

21st century that commerce is an integral part of every society, and artists need money in order to survive. Understanding the relationship between commerce and art is therefore helpful to those who are aspiring to be more involved in art in any form.

Director Noah Horowitz
(available on Amazon

University Press writes:
Art today is defined by
its relationship to
money as never
before. Prices of living
artists' works have
been driven to
unprecedented

heights, conventional
boundaries within the
art world have
collapsed, and artists
now think ever more
strategically about how
to advance their
careers.
