Harbingers

Repairman Jack 10 F

Harbingers, Repairman Jack #10 is another fantastic installment of one of my favorite on going series. F. Paul Wilson has created a special series led by a main character in Jack that always walks the line between good and bad. The Repairman

Jack series has developed into one of my favorite series out there and I can never seem to get enough.

**Harbingers
(Repairman Jack,
#10) by F. Paul

In Harbingers, F. Paul Wilson's 10th Repairman Jack novel, it starts off so simply: Jack, still down from the tragic events of Infernal, is hanging in Julio's when a regular named Timmy asks him for help. His teenage niece has been missing since this morning; the police say it's too early to worry, but Timmy knows something bad has happened.

(Repairman Jack,
book 10) by F Paul

This tenth novel of the Repairman Jack series has firmly cemented the series as one of my all-time favorite series, (all genres included), although I think I could say that beginning with book 3 or 4 as well. All of the novels read like chapters in one long novel, taking place over just a few years.
