So, what are you waiting for? Start your reading adventure today with digital Back In The Ussa publication downloads. With numerous titles and categories to pick from, the possibilities are countless. Happy analysis!

Back in the USSA

A Novel *Mark V Ziesing*

1989... One of the two superpowers which has dominated the 20th century is on the verge of being torn apart. The old communists regime which has held sway since the Revolution of 1917 is weak and divided. Dissident voices, silent for too long, have been raised against the corrupt and inefficient gangsterism of a morally and financially bankrupt ruling party. A new age of openness and reconstruction is dawning... This is the United Socialist States of America. When Eugene Debs led the Revolution, few expected it to lead to the iron-fisted regime of Chairman Al "Scarface" Capone, a dictatorship that would last into the 1950s. But no tyranny, capitalist

or communists, can stop real revolutionaries like Buddy Holy, Howard Hughes, Tom Joad, Eliot Ness, Kurt Vonnegut, and the Blues Brothers. This is the story of 20th century where America had a revolution... and Russia didn't; where there were Tsars in the Kremlin and Commissars in the White House. Where America invaded Japan and Britain fought the war in Vietnam; where Isaac Asimov was a Russian TV astrologer and Ed Gein was a Hero of Labor. Kim Newman and Eugene Byrne turn history on its head with this novel of "what if...?" -- a must-read for Proletariats world-wide!

Rash *Simon and Schuster*

Consumption of alcohol: Illegal. Football and other "violent" sports: Illegal.

Ownership of guns, chain saws, and/or large dogs: Illegal. Body piercings, tattoos: Illegal. It's late in the twenty-first century, and the United Safer States of America (USSA) has become a nation obsessed with safety. For Bo Marsten, a teenager who grew up in the USSA, it's all good. He knows the harsh laws were created to protect the people. But when Bo's temper flares out of control and he's sentenced to three years of manual labor, he's not so down with the law anymore. Bo's forced to live and work in a factory in the Canadian tundra. The warden running the place is totally out of his mind, and cares little for his inmates' safety. Bo will have to decide what's worse: a society that locks people up for road rage, or a prison where the wrong move could make you polar bear food.

Welcome to the Ussa

Corruption in the Government And Media

Beyond the facade of the two major political parties, there is an inherent flaw in our system. Like the USSR, the imperial road of constant perpetual war and the shameless corporate consolidation of wealth, will beget an economic implosion. The system's weakness is mainly in the executive branch where the cabinet can be stuffed like a corporate wish list of big money puppets who trade blood for profit. The war pigs' over bloated, military budget does not have the primary purpose of defense. It serve as a medium to funnel cash into select industries, particularly, energy, pharmaceuticals, weapons, and

construction. Both parties voted for a war that was based on conscious lies, not tragic mistaken intelligence, or even incompetence, this war was based on well-planned propaganda, known forgeries, and intentional lies. Discover the roots of the war planers, how they promoted it, and why. It is time the great American nation exposed its neocon leeches and removed the Zionists snakes in our ear. The press is too busy with celebrity gossip to care about reporting the news. Mass media is deceptive. We at www.anti-neocons.com break the media monopoly. If you want to know the truth, you can not trust the TV.

The Worlds of Langston Hughes

Modernism and Translation in the Americas *Cornell University Press*

The poet Langston Hughes was a tireless world traveler and a prolific translator, editor, and marketer. Translations of his own writings traveled even more widely than he did, earning him adulation throughout Europe, Asia, and especially the Americas. In *The Worlds of Langston Hughes*, Vera Kutzinski contends that, for writers who are part of the African diaspora, translation is more than just a literary practice: it is a fact of life and a way of thinking. Focusing on Hughes's autobiographies, translations of his poetry, his own translations, and the political lyrics that brought him to the attention of the infamous McCarthy Committee, she shows that translating and being translated—and often

mistranslated—are as vital to Hughes's own poetics as they are to understanding the historical network of cultural relations known as literary modernism. As Kutzinski maps the trajectory of Hughes's writings across Europe and the Americas, we see the remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers. Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored: Madrid, Havana, Buenos Aires, Mexico City, and of course Harlem. The result is a fresh look at Hughes, not as a solitary author who wrote in a single language, but as an international figure at the heart of a global intellectual and artistic formation.

U.S.S.A. *William Morrow & Company*

As America takes over Russia, multinationals jostle for position in a suddenly fertile Russian market. Private-eye Dean Joplin, formerly of the CIA, is called upon to solve a brutal murder that was committed in the Kosmos luxury hotel.

U.S.S.A. *Avon Books*

U.S.S.A., the bold new series of America's brave freedom fighters of tomorrow.

Socialism Sucks

Two Economists Drink Their Way Through the Unfree World *Simon and Schuster*

The bastard step-child of Milton

Friedman and Anthony Bourdain, *Socialism Sucks* is a bar-crawl through former, current, and wannabe socialist countries around the world. Free market economists Robert Lawson and Benjamin Powell travel to countries like Venezuela, Cuba, Russia, and Sweden to investigate the dangers and idiocies of socialism—while drinking a lot of beer.

The Back Rub Book

How to Give and Receive Great Back Rubs *Vintage*

Demonstrates backrubs for athletes, pregnant women, and babies, recommends oils and herbs, and tells how massage can relieve stress

aware that he is really a KGB mole

Back in the USSR

The True Story of Rock in Russia

First hand account of the history of rock music in the Soviet Union.

Forefathers & Founding Fathers

BrownBooks.ORM

A novel based on the forgotten historical figures who ensured the triumph of democracy in the country that would become America. A Global eBook Awards Gold Medal Winner In the early colonies, this country was on the precipice of becoming an autocratic theocracy. A century and a half before Jefferson and Adams, the battle for democracy, freedom, and equal rights was sparked

by a few people who are now lost and forgotten pieces of history. Travel back to 1620s London, where hardworking and creative Samuel met Mary, a unique and highly educated woman. Their journey would lead them to the colonies, where they were ostracized and sentenced to death for introducing the fundamental principles modern Americans hold dear. This fast-paced historical fiction will make you question your understanding of the founding years of this free nation. These pioneers created the template our founding fathers used to build America. *Forefathers & Founding Fathers* is an adventure, a love story, and a tale of great persistence—a tale that every American should know and yet most do not. This expanded second edition

explores even further into the lives of these impactful figures, giving a deeper perspective on their sacrifices and devotion to this country.

The Insiders' Guide to Becoming a Yacht Stewardess 2nd Edition

Confessions from My Years Afloat with the Rich and Famous *Morgan James Publishing*

Since 2006, *The Insiders' Guide to Becoming a Yacht Stewardess* has been a must-read guide for hopeful, young travelers and those intrigued by a career path in the super-yacht industry. Hundreds of yacht crew in the industry today used Julie's book to get started---and succeed---working aboard yachts. Entertaining and educational, this book

not only covers who owns luxury yachts, where they travel, and what taking care of their eccentric owners is like, but it describes the awe-inspiring benefits of the job, the skills required, and a clear-cut roadmap for how others can do it, too. If the terrific pay and benefits that come from accompanying celebrities and dignitaries on their private journeys around the world appeals to you, consider Julie Perry your new career coach. Let her guide you to the sea of opportunity that awaits young travelers in one of the world's most adventurous and mind-boggling industries: LUXURY YACHTING.

Payback's a Witch *Penguin*

Chilling Adventures of Sabrina meets The L Word in this fresh, sizzling New

York Times bestselling rom-com by Lana Harper. Emmy Harlow is a witch but not a very powerful one—in part because she hasn't been home to the magical town of Thistle Grove in years. Her self-imposed exile has a lot to do with a complicated family history and a desire to forge her own way in the world, and only the very tiniest bit to do with Gareth Blackmoore, heir to the most powerful magical family in town and casual breaker of hearts and destroyer of dreams. But when a spellcasting tournament that her family serves as arbiters for approaches, it turns out the pull of tradition (or the truly impressive parental guilt trip that comes with it) is strong enough to bring Emmy back. She's determined to do her familial duty; spend some quality time with her best

friend, Linden Thorn; and get back to her real life in Chicago. On her first night home, Emmy runs into Talia Avramov—an all-around badass adept in the darker magical arts—who is fresh off a bad breakup . . . with Gareth Blackmoore. Talia had let herself be charmed, only to discover that Gareth was also seeing Linden—unbeknownst to either of them. And now she and Linden want revenge. Only one question stands: Is Emmy in? But most concerning of all: Why can't she stop thinking about the terrifyingly competent, devastatingly gorgeous, wickedly charming Talia Avramov?

Alpine Skiing *Human Kinetics*

In *Alpine Skiing*, Ronald Kipp, alpine sport education manager for the U.S. Ski

and Snowboard Association, introduces novice skiers to the basics of the sport, assists intermediate skiers in refining skills, and advises experts in specialized situations. He prepares you for your adventure with information on conditioning, selecting equipment, and familiarizing yourself with the skiing environment. You'll then find easy-to-follow instruction on skiing fundamentals, such as the wedge turn, the christie and edging skills, parallel turns, and dynamic parallel skiing. You will also find additional guidance on the more challenging moguls, powder skiing, tree skiing, and racing slopes. Throughout the book Kipp shares consumer, technique, and safety tips collected from his years of experience as both a skier and an instructor. He also

provides valuable information on travel and trip planning, including choosing a ski area and accommodations, packing, and flying with your gear. Lists of websites will help you find ski instructors and organizations, shop for equipment and gear, and plan trips around the world. Alpine Skiing is part of the Outdoor Adventures series, which provides you with the essential information on basic techniques and skills so you can be on your way to an adventure in no time.

The Columbus Panhandles

A Complete History of Pro Football's Toughest Team, 1900-1922
Scarecrow Press

In 1901 workers at the Panhandle shops

of the Pennsylvania Railroad in Columbus, Ohio formed a professional football team called the Columbus Panhandles. The railroad workers, mainly European immigrants, learned the game of football not on college gridirons, but on the sandlots of railroad yards during their lunch breaks. With the leadership of an innovative team manager and its tough physical play, the Panhandles went on to play for more than twenty years as one of the most successful teams in the rag-tag days of professional football. Incorporating original interviews and actual newspaper accounts, Chris Willis recreates the largely forgotten story of this unique squad of men. In *The Columbus Panhandles: A Complete History of Pro Football's Toughest Team, 1900-1922*, Willis shows how team

manager, future NFL commissioner Joseph Carr, used the perks of free railroad travel for employees and the gate attraction of the famous Nesser brothers to build pro football's most successful traveling team. Season by season, Willis provides a fascinating account of the team's spectacular triumphs and crushing losses. Full of wonderful newspaper quotes, entertaining anecdotes, and many original photos, *The Columbus Panhandles* also profiles a number of principle figures in the team's history, most notably manager Joe Carr and the six Nesser brothers who comprised the heart of the squad for many years. Written to honor the legacy of the Columbus Panhandles, this book will be of interest to historians, sportswriters

and general football fans eager to learn about the early days of professional football.

West of Eden *Tor Books*

Sixty-five million years ago, a disastrous cataclysm eliminated three quarters of all life on Earth. Overnight, the age of dinosaurs ended. The age of mammals had begun. But what if history had happened differently? What if the reptiles had survived to evolve intelligent life? In *West of Eden*, bestselling author Harry Harrison has created a rich, dramatic saga of a world where the descendents of the dinosaurs struggled with a clan of humans in a battle for survival. Here is the story of Kerrick, a young hunter who grows to manhood among the dinosaurs, escaping

at last to rejoin his own kind. His knowledge of their strange customs makes him the humans' leader...and the dinosaurs' greatest enemy. Rivalling Frank Herbert's *Dune* in the majesty of its scope and conception, *West of Eden* is a monumental epic of love and savagery, bravery and hope. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Your Inner Fish

A Journey Into the 3.5-Billion-Year History of the Human Body *Vintage*

A fascinating chronicle of the evolution of humankind traces the genetic history of the organs of the human body, offering a revealing correlation between

the distant past and present-day human anatomy and physiology, behavior, illness, and DNA. Reprint. 75,000 first printing.

Import Competition and Response

University of Chicago Press

These papers, by a number of leading international-trade theorists, present the first significant theoretical work to be done on a topic of considerable interest, import competition. Nine theoretical papers, on topics ranging from protectionist lobbying to adjustment costs, are synthesized in the editor's Introduction, which also contrasts these contributions with the traditional classroom analysis of import competition. Three major empirical studies close the volume. It will prove

indispensable for anyone who wishes to think clearly about import competition and about how economies do—and should—respond to it.

Guidelines Manual

Trickle Down Tyranny

Crushing Obama's Dream of the Socialist States of America *William Morrow*

This One Book Can Stop Obama's Tyranny The USA or the USSA? The United States of America or the Union of Socialist States of America? That is the question. Will President Obama transform the greatest engine of freedom the world has ever known into a Stalin-like dictatorship? Or can the

American people expose and rid themselves of this regime? Is the most polarizing president in our history transforming us into Caracas or Beijing? Moscow or Tehran? Trillions in new debt. His solution? Print more money, crippling American taxpayers and our children with unlimited debt while corrupt crony supporters continue to loot our economy. His attorney general has shipped weapons to Mexico, turning our southern border into a war zone as gangs of drug thugs and human traffickers endanger the citizenry of America. He's hobbled the most powerful military in the world, reducing the U.S. Navy to the smallest force since 1930 and rendering us unable to maintain our advanced weapons and technological advantages over the enemies at our

gates. And what does Obama do as Iran spews genocidal dictates, promising to "kill all Jews" and "annihilate Israel"? He abandons our ally and continues to push a "diplomatic" solution to this threat. Obama is transforming us into a second-class nation, with communists and Islamists given free rein to expand their power. As Obama accrues power with little opposition and his oppression creeps down from the top, the American people must stop the tyranny!

How to Write a Damn Good Novel

A Step-by-Step No Nonsense Guide to Dramatic Storytelling *St. Martin's Press*

Written in a clear, crisp, accessible style, this book is perfect for beginners as well

as professional writers who need a crash course in the down-to-earth basics of storytelling. Talent and inspiration can't be taught, but Frey does provide scores of helpful suggestions and sensible rules and principles. An international bestseller, *How to Write a Damn Good Novel* will enable all writers to face that intimidating first page, keep them on track when they falter, and help them recognize, analyze, and correct the problems in their own work.

Craft a Life You Love

Infusing Creativity, Fun, & Intention into Your Everyday *Abrams*

Learn how to focus your creative energy to make things—and make things happen. In this blend of memoir and

hardworking handbook, creativity and craft maven Amy Tangerine shows how to find your flow, maintain a positive mindset, and cultivate a rich and fulfilling life by focusing on what truly matters and implementing small yet powerful changes. Chapters explore how to craft the soul, craft the right mindset, craft the right environment, craft good habits, rediscover your creative mojo, and maintain momentum, with each section offering exercises for taking your creative practice to the next level. For anyone who has felt disconnected from their creativity or has had trouble saving a space for their passions, *Craft a Life You Love* will teach you how to make time for creativity each and every day.

Fire on the Mountain

ReadHowYouWant

Presenting an alternative version of African American history, this novel explores what might have happened if John Browns 1859 raid on Harpers Ferry had been successful. Chronicling life in a thriving black nation founded by Brown in the former southeastern United States, this dramatic story opens 100 years later, just as Nova Africa is poised to celebrate its first landing of a spacecraft on Mars. The prosperous black state will soon be tested when the granddaughter of John Brown returns from Africa to reunite with her daughter and share with her a secret that will alter their lives forever.

U.S.S.A.

When U.S. generals take over the

American government, Eddie Ludlow and other teenagers are determined to fight back in order to restore freedom.

Dragonslayers

Six Presidents and Their War with the Swamp *Bombardier Books*

Donald Trump promised to “Drain the Swamp,” by which he originally meant lobbyists. When he got in, he found an entirely different Swamp—a Deep State that had grown, layer upon layer, within the government. But he wasn’t the first to encounter entrenched Swamp opposition. Abraham Lincoln had to battle the “Slave Power Conspiracy”; Grover Cleveland was the most successful of three presidents to fight the spoils Swamp. Theodore Roosevelt

found a new iteration of the Swamp awaiting him: Trusts. After World War II, John F. Kennedy discovered that he had little control over the Central Intelligence Agency, and even found he needed the CIA for his own purposes. Despite promising to shrink the bureaucracy Swamp, Ronald Reagan found himself helpless to even make a dent in it. And Trump soon learned that the Deep State could ensure no one ever brought any of its own to justice. *Dragonslayers* explains why these Swamps exist, and why they were—and remain—so hard to defeat.

Bad Dreams *Titan Books*

When Anne Nielson, an American journalist, travels to London to investigate the death of her sister Judi,

she finds herself sucked into her nightmarish world of corruption and perversion, populated by dealers, pimps, sadomasochists and a vampire race that feasts on their victims' dreams. At the centre of this sickly web lurks the Games Master. Something more and something less than a man, the closer Anne draws to his domain the more she endangers herself and everyone she knows, and soon she will learn that the Games Master is not just a name, and when he plays, he plays for keeps. An updated edition of the critically acclaimed novel, featuring the short story 'Orgy of the Blood Parasites' and a brand-new afterword by Kim Newman.

Halo: Broken Circle *Simon and Schuster*

The New York Times bestselling series based on the blockbuster Xbox® games! Centuries before the Human-Covenant War would rage across the galaxy, a similar conflict erupted between the Prophets and the Elites—two alien races at odds over the sacred artifacts left by the powerful Forerunners, who disappeared eons ago. Although they would eventually form a stable alliance called the Covenant, there are those on both sides who question this fateful union. From an Elite splinter group rebelling against the Covenant during the time of its founding...to a brave Prophet caught in the machinations of the new leadership...to the root of the betrayal that would ultimately shatter the Covenant many years later, this is the untold chapter of the most

unexpected heroes emerging from a realm filled with shocking treachery and ceaseless wonder. Copyright © 2014 by Microsoft Corporation. All Rights Reserved. Microsoft, Halo, the Halo logo, Xbox, and the Xbox logo are trademarks of the Microsoft group of companies.

A-B-Skis

"Introduces skiing through photographs and brief text that uses one word relating to skiing for each letter of the alphabet"--Provided by publisher

Darwin

A Graphic Biography *Smithsonian Institution*

Darwin: A Graphic Biography is an inspiring expedition into the physical and

intellectual adventures of Charles Darwin. Presenting Darwin's life in a smart and entertaining graphic novel, Darwin: A Graphic Biography attempts to not only educate the reader about Darwin but also the scientific world of the 1800s. The graphic medium is ideal for recreating a very specific time frame, succeeding in placing the reader right next to a young Darwin on a "beetling" expedition. With specimens in both hands, and anxious to get another, Darwin ends up stuffing the third beetle into his mouth. Darwin's life presented in this form is an inspirational tale for kids of all ages. They'll be sure to identify with a curious young Darwin finding his way on youthful adventures in the fields near his house. The ups, downs, and near-misses of Darwin's youth are

portrayed honestly and without foreshadowing of his later fame. This is a key point for younger readers: that Darwin wasn't somehow predestined to greatness. He was curious, patient, and meticulous. He persevered--a great lesson about what science is all about.

The Evolution of a Cricket Fan

A Shapeshifting Journey

Rise and Fall of the United States of America

The Rise and Fall of the United States of America is a sweeping look at the rise of the greatest nation in the world and some of its formidable achievements. It also an introspective analysis of the symptoms of decline and a warning

about the path it is taking, allowing an influx of immigrants who are bent on challenging the laws, dismantling the culture, and conquering our country. It's time to reflect on what made this country great and heed the warning to what could be its downfall.

Tomorrow, the World *Harvard University Press*

A new history explains how and why, as it prepared to enter World War II, the United States decided to lead the postwar world. For most of its history, the United States avoided making political and military commitments that would entangle it in European-style power politics. Then, suddenly, it conceived a new role for itself as the world's armed superpower—and never

looked back. In *Tomorrow, the World*, Stephen Wertheim traces America's transformation to the crucible of World War II, especially in the months prior to the attack on Pearl Harbor. As the Nazis conquered France, the architects of the nation's new foreign policy came to believe that the United States ought to achieve primacy in international affairs forevermore. Scholars have struggled to explain the decision to pursue global supremacy. Some deny that American elites made a willing choice, casting the United States as a reluctant power that sloughed off "isolationism" only after all potential competitors lay in ruins. Others contend that the United States had always coveted global dominance and realized its ambition at the first opportunity. Both views are wrong. As

late as 1940, the small coterie of officials and experts who composed the U.S. foreign policy class either wanted British preeminence in global affairs to continue or hoped that no power would dominate. The war, however, swept away their assumptions, leading them to conclude that the United States should extend its form of law and order across the globe and back it at gunpoint. Wertheim argues that no one favored "isolationism"—a term introduced by advocates of armed supremacy in order to turn their own cause into the definition of a new "internationalism." We now live, Wertheim warns, in the world that these men created. A sophisticated and impassioned narrative that questions the wisdom of U.S. supremacy, *Tomorrow, the World* reveals

the intellectual path that brought us to today's global entanglements and endless wars.

The Global Contemporary and the Rise of New Art Worlds *MIT Press*

Mapping the new geography of the visual arts, from the explosion of biennials to the emerging art markets in Asia and the Middle East. The geography of the visual arts changed with the end of the Cold War. Contemporary art was no longer defined, exhibited, interpreted, and acquired according to a blueprint drawn up in New York, London, Paris, or Berlin. The art world distributed itself into art worlds. With the emergence of new art scenes in Asia and the Middle East and the explosion of biennials, the visual arts have become globalized as

surely as the world economy has. This book offers a new map of contemporary art's new worlds. The *Global Contemporary and the Rise of New Art Worlds* documents the globalization of the visual arts and the rise of the contemporary over the last twenty years. Lavishly illustrated, with color throughout, it tracks developments ranging from exhibition histories and the rise of new art spaces to art's branding in such emerging markets as Hong Kong and the Gulf States. Essays treat such subjects as curating after the global turn; art and the migration of pictures; the end of the canon; and new strategies of representation.

To Share a Dream *Harlequin Books*

To Share A Dream by Willo Davis Roberts

released on Jun 24, 1994 is available now for purchase.

Includes an 8 page full color photo insert.

Wing Commander Junior Novelization *HarperEntertainment*

600 Years in the Future the Battle for Earth is About to Begin... The egomaniacal alien Kilrathi have struck again, savaging a peaceful planet at the edge of space. And worse, they have captured a NAVCOM device that will lead them straight to Earth! Chris Blair and his pal Maniac are young cadets fresh from the Academy. Their first ship, the Tiger Claw, has an awesome mission: Recover the NAVCOM, and stop the Kilrathi at all costs. But Blair's fighting wing--Earth's last hope--is seething with internal strife. For somewhere among the thin red line of heroes a traitor lurks!

Selected Letters of Langston Hughes

Edited by Arnold Rampersad and David Roessel *Knopf*

This is the first comprehensive selection from the correspondence of the iconic and beloved Langston Hughes. It offers a life in letters that showcases his many struggles as well as his memorable achievements. Arranged by decade and linked by expert commentary, the volume guides us through Hughes's journey in all its aspects: personal, political, practical, and—above all—literary. His letters range from those written to family members, notably his

father (who opposed Langston's literary ambitions), and to friends, fellow artists, critics, and readers who sought him out by mail. These figures include personalities such as Carl Van Vechten, Blanche Knopf, Zora Neale Hurston, Arna Bontemps, Vachel Lindsay, Ezra Pound, Richard Wright, Kurt Weill, Carl Sandburg, Gwendolyn Brooks, James Baldwin, Martin Luther King, Jr., Alice Walker, Amiri Baraka, and Muhammad Ali. The letters tell the story of a determined poet precociously finding his mature voice; struggling to realize his literary goals in an environment generally hostile to blacks; reaching out bravely to the young and challenging them to aspire beyond the bonds of segregation; using his artistic prestige to serve the disenfranchised and the cause

of social justice; irrepressibly laughing at the world despite its quirks and humiliations. Venturing bravely on what he called the "big sea" of life, Hughes made his way forward always aware that his only hope of self-fulfillment and a sense of personal integrity lay in diligently pursuing his literary vocation. Hughes's voice in these pages, enhanced by photographs and quotations from his poetry, allows us to know him intimately and gives us an unusually rich picture of this generous, visionary, gratifyingly good man who was also a genius of modern American letters.

Bon Jovi at 33

A Complete Illustrated History

Sterling

Containing original interviews and more than 100 images, "Bon Jovi "is the first fully illustrated, comprehensive book paying tribute to the bestselling rock band, from their beginning 30 years ago when they shot to stardom with the release of their multiplatinum smash album "Slippery When Wet" to today. This unofficial volume is a must-have for every Bon Jovi fan."

Return of the Dark Side *Turtleback Books*

Ferus Olin's loyalty is to the Jedi, but

when he is called to see the Emperor, the Sith Lord makes him an offer he cannot refuse.

Orgy of the Blood Parasites *Pocket Books*

When student animal rights activists break into the university lab, they release rabbits. The virus these rabbits contain produces an army of mutants with superhuman strength and an insatiable bloodlust. As their numbers grow, the chemical company responsible tries to stop the mutants.
