Fat cats may look cute and cuddly, but they’re prone to many health problems ranging from heart disease and breathing issues to leg injury and hip dysplasia. A too-thin cat, on the other hand, will appear narrow from above, particularly around the waist and hips. Its ribs and spine may be felt or seen through its skin, whereas you should not be able to feel these in a cat that is lean but healthy.

Fat cat is a political term originally describing a rich political donor, also called an angel or big money man. The New York Times has described fat cats as symbols of "a deeply corrupt campaign finance system riddled with loopholes", with Americans seeing them as recipients of the "perks of power", but able to "buy access, influence policy and even veto appointments." It is also commonly used to describe a rich, greedy person who, due to ownership of large amounts of capital, is able to "live
