With these ideas, you can discover the right Contagious Why Things Catch On publication recaps for your interests and choices. Happy reading!

Contagious *Simon and Schuster*
Upper Saddle River, N.J. : Creative

Homeowner,

Contagious *Simon and Schuster*

The New York Times bestseller that explains why certain products and ideas become popular. “Jonah Berger knows more about what makes information ‘go viral’ than anyone in the world.” —Daniel Gilbert, author of the bestseller *Stumbling on Happiness* What makes things popular? If you said advertising, think again. People don’t listen to advertisements, they listen to their peers. But why do people talk about certain products and ideas more than others? Why are some stories and rumors more infectious? And what makes online content go viral? Wharton marketing professor Jonah Berger has spent the last decade answering these

questions. He’s studied why New York Times articles make the paper’s own Most E-mailed list, why products get word of mouth, and how social influence shapes everything from the cars we buy to the clothes we wear to the names we give our children. In *Contagious*, Berger reveals the secret science behind word-of-mouth and social transmission. Discover how six basic principles drive all sorts of things to become contagious, from consumer products and policy initiatives to workplace rumors and YouTube videos. Learn how a luxury steakhouse found popularity through the lowly cheesesteak, why anti-drug commercials might have actually increased drug use, and why more than 200 million consumers shared a video about one of the most boring products

there is: a blender. Contagious provides specific, actionable techniques for helping information spread—for designing messages, advertisements, and content that people will share. Whether you're a manager at a big company, a small business owner trying to boost awareness, a politician running for office, or a health official trying to get the word out, Contagious will show you how to make your product or idea catch on.

Contagious *Simon and Schuster*

Explains why some products and ideas go "viral," citing the roles of word-of-mouth promotion and the Internet.

Contagious *Simon and Schuster*

Why are some products and ideas talked

about more than others? Why do some articles make the most emailed list? Why do some YouTube videos go viral? Word-of-mouth. Whether through face-to-face conversations, emails from friends, or online product reviews, the information and opinions we get from others have a strong impact on our own behaviour. Indeed, word-of-mouth generates more than two times the sales of paid advertising and is the primary factor behind 20-50% of all purchasing decisions. It is between 8.5 and 30 times more effective than traditional media. But want to know the best thing about word-of-mouth? It's available to everyone. Whether you're a Fortune 500 company trying to increase sales, a corner restaurant trying to raise awareness, a non-profit trying to fight

obesity, or a newbie politician running for city council, word-of-mouth can help you succeed. And you don't have to have millions of dollars to spend on an advertising budget. You just have to get people to talk. The challenge, though, is how to do that. This book will show you how.

Invisible Influence *Simon and Schuster*
Explores the subtle, secret influences that affect the decisions we make--from what we buy, to the careers we choose, to what we eat.

Summary and Analysis of Contagious: Why Things Catch On
Open Road Media

So much to read, so little time? This brief overview of Contagious tells you what

you need to know—before or after you read Jonah Berger's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Contagious includes: Historical context Chapter-by-chapter overviews Detailed timeline of key events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Contagious by Jonah Berger: Contagious: Why Things Catch On examines why certain media goes viral—videos, articles, memes—and others never get shared at all. By looking at popular culture, Wharton professor Jonah Berger analyzes what makes an idea take off. Based on his own research

and the insights gleaned from 15 years of studying marketing, Berger's New York Times–bestselling book teaches readers why popular content is popular, and how they can make their own ideas and products truly contagious. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Contagious *Simon & Schuster*

New York Times bestseller and named Best Marketing Book of 2014 by the American Marketing Association What makes things popular? If you said advertising, think again. People don't listen to advertisements, they listen to their peers. But why do people talk about certain products and ideas more

than others? Why are some stories and rumors more infectious? And what makes online content go viral? Wharton marketing professor Jonah Berger has spent the last decade answering these questions. He's studied why New York Times articles make the paper's own Most E-mailed List, why products get word of mouth, and how social influence shapes everything from the cars we buy to the clothes we wear to the names we give our children. In this book, Berger reveals the secret science behind word-of-mouth and social transmission. Discover how six basic principles drive all sorts of things to become contagious, from consumer products and policy initiatives to workplace rumors and YouTube videos. Contagious combines groundbreaking research with powerful

stories. Learn how a luxury steakhouse found popularity through the lowly cheese-steak, why anti-drug commercials might have actually increased drug use, and why more than 200 million consumers shared a video about one of the seemingly most boring products there is: a blender. If you've wondered why certain stories get shared, e-mails get forwarded, or videos go viral, Contagious explains why, and shows how to leverage these concepts to craft contagious content. This book provides a set of specific, actionable techniques for helping information spread—for designing messages, advertisements, and information that people will share. Whether you're a manager at a big company, a small business owner trying to boost

awareness, a politician running for office, or a health official trying to get the word out, Contagious will show you how to make your product or idea catch on.

SUMMARY - Contagious: Why Things Catch On By Jonah Berger *Shortcut Edition*

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. *By reading this summary, you will learn how to take advantage of word-of-mouth to create a fashion effect and create a buzz. *You will also learn : how word of mouth is 10 times more effective than advertising; why the potential to get people talking depends not on the subject but on the message; how to launch immediate word of mouth;

how to maintain impact over time. *Most trends are born from word of mouth. We then speak of social contagion. *But what does it depend on? At first glance, on the product or service offered, its quality, its price and its usefulness or fun. However, thanks to the research and studies of Professor Jonah Berger, you will see that this is not the case. The most important element is social influence: word of mouth. *Buy now the summary of this book for the modest price of a cup of coffee!

The Rules of Contagion *Profile Books*

An Observer Book of the Year A Times Science Book of the Year A New Statesman Book of the Year A Financial Times Science Book of the Year 'Astonishingly bold' Daily Mail 'It is hard

to imagine a more timely book ... much of the modern world will make more sense having read it.' The Times We live in a world that's more interconnected than ever before. Our lives are shaped by outbreaks - of disease, of misinformation, even of violence - that appear, spread and fade away with bewildering speed. To understand them, we need to learn the hidden laws that govern them. From 'superspreaders' who might spark a pandemic or bring down a financial system to the social dynamics that make loneliness catch on, The Rules of Contagion offers compelling insights into human behaviour and explains how we can get better at predicting what happens next. Along the way, Adam Kucharski explores how innovations spread through friendship networks,

what links computer viruses with folk stories - and why the most useful predictions aren't necessarily the ones that come true. Now revised and updated with content on Covid-19.

Selling the Invisible *Business Plus*

SELLING THE INVISIBLE is a succinct and often entertaining look at the unique characteristics of services and their prospects, and how any service, from a home-based consultancy to a multinational brokerage, can turn more prospects into clients and keep them. SELLING THE INVISIBLE covers service marketing from start to finish. Filled with wonderful insights and written in a roll-up-your-sleeves, jargon-free, accessible style, such as: Greatness May Get You Nowhere Focus Groups Don'ts The More

You Say, the Less People Hear & Seeing the Forest Around the Falling Trees.

The Little Book of Big PR *AMACOM*

As an entrepreneur, you need every helpful tool you can get your hands on to build your business. And if you know the tricks of the trade, perhaps nothing can gain more attention for your small business and build your company's credibility than a good, old-fashioned public-relations campaign. Whether you're an established company or a cost-conscious start-up, The Little Book of Big PR tells you all you need to know to be able to use public relations effectively as a business-building tool. Drawing on the expertise gained during her long career in public relations, Jennefer Witter shares simple, smart, and budget-friendly

methods for getting your business noticed, including what she calls the seven key elements of public relations:• Self-branding• Media relations• Social Media• Networking• Speaking engagements• Cause-related marketing• Selecting a PR agencyComplete with real-world case studies and sample content (such as media pitches) to use as-is or to modify to fit your own specific needs, this all-encompassing resource will provide for you the expert guidance all entrepreneurs need to grow their business to new, attention-getting heights.

The Serendipity Mindset *Penguin*

Good luck isn't just chance—it can be learned and leveraged—and The

Serendipity Mindset explains how you can use serendipity to make life better at work, at home—everywhere. Many of us believe that the great turning points and opportunities in our lives happen by chance, that they're out of our control. Often we think that successful people—and successful companies and organizations—are simply luckier than the rest of us. Good fortune—serendipity—just seems to happen to them. Is that true? Or are some people better at creating the conditions for coincidences to arise and taking advantage of them when they do? How can we connect the dots of seemingly random events to improve our lives? In *The Serendipity Mindset*, Christian Busch explains that serendipity isn't about luck in the sense of simple

randomness. It's about seeing links that others don't, combining these observations in unexpected and strategic ways, and learning how to detect the moments when apparently random or unconnected ideas merge to form new opportunities. Busch explores serendipity from a rational and scientific perspective and argues that there are identifiable approaches we can use to foster the conditions to let serendipity grow. Drawing from biology, chemistry, management, and information systems, and using examples of people from all walks of life, Busch illustrates how serendipity works and explains how we can train our own serendipity muscle and use it to turn the unexpected into opportunity. Once we understand serendipity, Busch says, we become

curators of it, and luck becomes something that no longer just happens to us—it becomes a force that we can grasp, shape, and hone. Full of exciting ideas and strategies, *The Serendipity Mindset* offers a clear blueprint for how we can cultivate serendipity to increase innovation, influence, and opportunity in every aspect of our lives.

Summary: Contagious Must Read Summaries

The must-read summary of Jonah Berger's book: "Contagious: Why Things Catch On". This complete summary of the ideas from Jonah Berger's book "Contagious: Why Things Catch On" reveals the six key principles that make a product or an idea contagious. As well as sharing stories of real-life companies

from his extensive research, the author provides a set of specialised techniques that you can use to spread information and get your message across to as many people as possible. Added-value of this summary: • Save time • Understand the essential techniques • Expand your communication skills To learn more, read "Contagious: Why Things Catch On" and find out how you can make your information as contagious as possible!

Cirque Du Freak *HarperCollins UK*

Two boys who are best friends visit an illegal freak show, where an encounter with a vampire and a deadly spider forces them to make life-changing choices.

The Tipping Point *Little, Brown*

From the bestselling author of *The Bomber Mafia*: discover Malcolm Gladwell's breakthrough debut and explore the science behind viral trends in business, marketing, and human behavior. The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas. "A wonderful page-

turner about a fascinating idea that should affect the way every thinking person looks at the world.” —Michael Lewis

Hooked *Penguin*

Revised and Updated, Featuring a New Case Study How do successful companies create products people can't put down? Why do some products capture widespread attention while others flop? What makes us engage with certain products out of sheer habit? Is there a pattern underlying how technologies hook us? Nir Eyal answers these questions (and many more) by explaining the Hook Model—a four-step process embedded into the products of many successful companies to subtly encourage customer behavior. Through

consecutive “hook cycles,” these products reach their ultimate goal of bringing users back again and again without depending on costly advertising or aggressive messaging. Hooked is based on Eyal's years of research, consulting, and practical experience. He wrote the book he wished had been available to him as a start-up founder—not abstract theory, but a how-to guide for building better products. Hooked is written for product managers, designers, marketers, start-up founders, and anyone who seeks to understand how products influence our behavior. Eyal provides readers with:

- Practical insights to create user habits that stick.
- Actionable steps for building products people love.
- Fascinating examples from the iPhone to Twitter, Pinterest to

the Bible App, and many other habit-forming products.

Made to Stick *Random House*

NEW YORK TIMES BESTSELLER • The instant classic about why some ideas thrive, why others die, and how to make your ideas stick. “Anyone interested in influencing others—to buy, to vote, to learn, to diet, to give to charity or to start a revolution—can learn from this book.”—The Washington Post Mark Twain once observed, “A lie can get halfway around the world before the truth can even get its boots on.” His observation rings true: Urban legends, conspiracy theories, and bogus news stories circulate effortlessly. Meanwhile, people with important ideas—entrepreneurs, teachers,

politicians, and journalists—struggle to make them “stick.” In *Made to Stick*, Chip and Dan Heath reveal the anatomy of ideas that stick and explain ways to make ideas stickier, such as applying the human scale principle, using the Velcro Theory of Memory, and creating curiosity gaps. Along the way, we discover that sticky messages of all kinds—from the infamous “kidney theft ring” hoax to a coach’s lessons on sportsmanship to a vision for a new product at Sony—draw their power from the same six traits. *Made to Stick* will transform the way you communicate. It’s a fast-paced tour of success stories (and failures): the Nobel Prize-winning scientist who drank a glass of bacteria to prove a point about stomach ulcers; the charities who make use of the Mother Teresa Effect; the

elementary-school teacher whose simulation actually prevented racial prejudice. Provocative, eye-opening, and often surprisingly funny, *Made to Stick* shows us the vital principles of winning ideas—and tells us how we can apply these rules to making our own messages stick.

Golden State *Bantam*

The state of California votes on secession in the wake of a divisive presidential election in this gripping, prescient novel of marriage, family, and the profound moments that shape our lives. Doctor Julie Walker has just signed her divorce papers when she receives news that her younger sister, Heather, has gone into labor. Though theirs is a strained relationship, Julie sets out for

the hospital to be at her sister's side—no easy task since the streets of San Francisco are filled with tension and strife. Today is also the day that Julie will find herself at the epicenter of a violent standoff in which she is forced to examine both the promising and the painful parts of her past—her Southern childhood; her romance with her husband, Tom; her estrangement from Heather; and the shattering incident that led to her greatest heartbreak. Infused with emotional depth and poignancy, *Golden State* takes readers on a journey over the course of a single, unforgettable day—through an extraordinary landscape of love, loss, and hope. Praise for *Golden State* “A stirring look at the ties that bind husband-wife, mother-child and even

sisters, and what happens when they're torn asunder. Set in a San Francisco chafing with unrest both political and personal, the world Richmond creates is exquisitely charged with regret and hope."—Family Circle "[A] riveting read that can be recommended to fans of Jodi Picoult and Jacquelyn Mitchard . . . Mesmerizing and intricate, Richmond's dissection of a California on the violent brink of secession from the nation provides the backdrop to her deeper inspection of the uneasy, fragile relationship between siblings."—Booklist (starred review) "[An] amazing, turbulent novel woven of disparate threads . . . Nearly every feature of this mesmerizing novel is provocative, as Richmond explores the fragmented, hopeful lives of complex characters. This

is gripping, multilayered must-read fiction."—Library Journal (starred review) "An exciting premise . . . skillfully written . . . Julie's past and her relationship with the other characters are scrutinized as the clock ticks. It's an interesting and sometimes-disturbing study."—Kirkus Reviews "Richmond takes readers through a bittersweet, heartwarming tale of a woman on the cusp of life-changing events in both her personal and professional lives. . . . Once invested, the reader is carried away by this action-packed, poignant story, making this a tale that will live in the heart of the reader once the last page is read."—RT Book Reviews "This is a thoughtful book about how past circumstances change us into the people we are today, for the good or bad. Julie is a sympathetic and

relatable character, and readers will definitely feel for her as she goes through her life-changing day.”—The Parkersburg News and Sentinel “Richmond . . . delivers a page-turner.”—San Jose Mercury News “A breathtaking read and one I’ll not soon forget.”—Melanie Benjamin, author of *The Aviator’s Wife* Look for special features inside. Explosive Growth *Clifford Ventures Corp.*

#1 Best-Seller in 5 Startup & Entrepreneurship Categories *Named Top 5 Business Growth Book by Entrepreneur Magazine This compelling and inspiring narrative gives

entrepreneurs a rare behind-the-scenes look inside a fast-growing startup that created the first online dating app and grew to 100 million users. *Explosive Growth* combines lively and often hilarious storytelling, revealing genius growth tactics, numerous case-studies, and its step-by-step playbook to help your startup grow massively. Due to its raw storytelling style, practical lessons, compelling content, and fast-paced read, *Explosive Growth* is a one-of-a-kind business book that transcends the narrow entrepreneurial audience to also appeal to readers and business students looking to learn about startup life and entrepreneurship. It holds nothing back while detailing the highest highs and lowest lows of what it's really like to run a startup. Cliff Lerner's online dating

startup, Snap Interactive, was running out of money when he bet the company's fortunes on a then-unknown platform called Facebook. The app suddenly began to acquire 100,000 new users daily for free, and soon after the stock price skyrocketed 2,000 percent, setting off an extraordinary chain of events filled with sudden success and painful lessons. You will learn how to: * IGNITE EXPLOSIVE GROWTH by creating a remarkable product * Identify the ONLY 3 METRICS THAT MATTER * Explore valuable VIRAL GROWTH strategies to grow rapidly * Execute the GENIUS MEDIA HACKS that helped us acquire 100 million users * Create a thriving culture of PASSIONATE EMPLOYEES and CONSTANT INNOVATION PRAISE: "A must read for founders and CEOs who want to

achieve rapid growth while also building a great product and company." -Payal Kadakia, Founder & Executive Chairman of ClassPass "Explosive Growth is without question one of the most useful and entertaining business books I have ever read. Cliff gives you a roadmap to massively grow your startup with specific tactical lessons made memorable through engaging stories. This book is a must-read." -David Perry, Digital Sales & Business Development Expert at Google, Adobe, Amazon, Startup Advisor "Want to know how to grow your startup to 100 million users? Then this is the book for you. Explosive Growth gives step-by-step instructions, case studies and proven tactics on how to explode your growth." -Entrepreneur Magazine by Syed Balkhi "Lessons for

startups and CEOs on growth hacking, marketing, and innovation from one of the smartest founders I know." -Andrew Weinreich, Inventor of Social Networking

Leadership without Ego *Springer*

If you take a chain, pile it up and then push it, what direction will it go? Nowhere you can predict and not very far. If you take it by the end and pull it, which way will it go? It will follow you. Leadership is not about what sets you apart from those you lead—it's about what binds you together. It is not about controlling others—it's about trusting others. It's not about your achievements—it's about unleashing your team's greatness. In short, leadership really isn't about you—it's about your people. Take Bob Davids, co-

author of this book and successful leader of six businesses in fields as diverse as engineering and winemaking. His achievements often came thanks to being able to refrain from acting when others might have found intervening irresistible. By trusting his employees to be better than him in their area of responsibility and letting them act, Bob unleashed the human greatness that no one else—including employees themselves—suspected. Yet to lead without acting does not mean doing nothing. It means creating conditions in which things happen by themselves. Leadership Without Ego is about a transformation of the concept of leadership in the past two decades: a change of beliefs about how best to lead, along with radically different leadership

practices. The ideas in this book have already changed the fortunes of hundreds of businesses and the lives of tens of thousands of employees. They can do the same for your business, your people—and you.

Everybody Writes *John Wiley & Sons*

Finally a go-to guide to creating and publishing the kind of content that will make your business thrive. *Everybody Writes* is a go-to guide to attracting and retaining customers through stellar online communication, because in our content-driven world, every one of us is, in fact, a writer. If you have a web site, you are a publisher. If you are on social media, you are in marketing. And that means that we are all relying on our words to carry our marketing messages.

We are all writers. Yeah, but who cares about writing anymore? In a time-challenged world dominated by short and snappy, by click-bait headlines and Twitter streams and Instagram feeds and gifs and video and Snapchat and YOLO and LOL and #tbt. . . does the idea of focusing on writing seem pedantic and ordinary? Actually, writing matters more now, not less. Our online words are our currency; they tell our customers who we are. Our writing can make us look smart or it can make us look stupid. It can make us seem fun, or warm, or competent, or trustworthy. But it can also make us seem humdrum or discombobulated or flat-out boring. That means you've got to choose words well, and write with economy and the style and honest empathy for your customers.

And it means you put a new value on an often-overlooked skill in content marketing: How to write, and how to tell a true story really, really well. That's true whether you're writing a listicle or the words on a Slideshare deck or the words you're reading right here, right now... And so being able to communicate well in writing isn't just nice; it's necessity. And it's also the oft-overlooked cornerstone of nearly all our content marketing. In *Everybody Writes*, top marketing veteran Ann Handley gives expert guidance and insight into the process and strategy of content creation, production and publishing, with actionable how-to advice designed to get results. These lessons and rules apply across all of your online assets — like web pages, home page, landing pages,

blogs, email, marketing offers, and on Facebook, Twitter, LinkedIn, and other social media. Ann deconstructs the strategy and delivers a practical approach to create ridiculously compelling and competent content. It's designed to be the go-to guide for anyone creating or publishing any kind of online content — whether you're a big brand or you're small and solo. Sections include: How to write better. (Or, for "adult-onset writers": How to hate writing less.) Easy grammar and usage rules tailored for business in a fun, memorable way. (Enough to keep you looking sharp, but not too much to overwhelm you.) Giving your audience the gift of your true story, told well. Empathy and humanity and inspiration are key here, so the book covers that,

too. Best practices for creating credible, trustworthy content steeped in some time-honored rules of solid journalism. Because publishing content and talking directly to your customers is, at its heart, a privilege. "Things Marketers Write": The fundamentals of 17 specific kinds of content that marketers are often tasked with crafting. Content Tools: The sharpest tools you need to get the job done. Traditional marketing techniques are no longer enough. Everybody Writes is a field guide for the smartest businesses who know that great content is the key to thriving in this digital world.

What Customers Crave *AMACOM*

Think you know your customers? You better be more assured than just thinking you do, because your success

depends on it! The best companies in the world first research exhaustively what their customers desire, and then they deliver it in memorable and deeply human experiences--resulting in success previously believed to be unachievable. So once again, how well do you know your customers? In a hyperconnected economy that is radically changing consumer expectations, this vital expectation for any successful business is not always easy. But in *What Customers Crave*, author and business strategist Nicholas Webb simplifies this critical task into being able to confidently answer two questions: What do your customers love? What do they hate? Jam-packed with tools and examples, this must-have resource helps businesses reinvent how they engage

with customers (both physical and virtual). Learn how to:

- Gain invaluable insights into who your customers are and what they care about
- Use listening posts and Contact Point Innovation to refine customer types
- Engineer experiences for each micromarket that are not only exceptional, but insanely relevant
- Connect across the five most important touchpoints
- Co-create with your customers
- And more!

It's time to reinvent the ways you engage with your customers. Because when you learn to provide for them exactly what they want, they not only bring along their wallets but those belong to their friends as well!

High Growth Handbook

Well known technology executive and

angel investor Elad Gil has worked with high growth tech companies like Airbnb, Twitter, Google, Instacart, Coinbase, Stripe, and Square as they've grown from small companies into global brands. Across all of these break-out companies, a set of common patterns has evolved into a repeatable playbook that Gil has codified in *High Growth Handbook*. Covering key topics including the role of the CEO, managing your board, recruiting and managing an executive team, M&A, IPOs and late stage funding rounds, and interspersed with over a dozen interviews with some of the biggest names in Silicon Valley including Reid Hoffman (LinkedIn), Marc Andreessen (Andreessen Horowitz), and Aaron Levie (Box), *High Growth Handbook* presents crystal clear

guidance for navigating the most complex challenges that confront leaders and operators in high-growth startups. In what Reid Hoffman, cofounder of LinkedIn and co-author of the #1 NYT bestsellers *The Alliance* and *The Startup of You* calls "a trenchant guide," *High Growth Handbook* is the playbook for turning a startup into a unicorn.

Contagious *Crown*

From the acclaimed author of *Infected* comes an epic and exhilarating story of humanity's secret battle against a horrific enemy. Across America, a mysterious pathogen transforms ordinary people into raging killers, psychopaths driven by a terrifying, alien agenda. The human race fights back, yet

after every battle the disease responds, adapts, using sophisticated strategies and brilliant ruses to fool its pursuers. The only possible explanation: the epidemic is driven not by evolution but by some malevolent intelligence. Standing against this unimaginable threat is a small group, assembled under the strictest secrecy. Their best weapon is hulking former football star Perry Dawsey, left psychologically shattered by his own struggles with this terrible enemy, who possesses an unexplainable ability to locate the disease's hosts. Violent and unpredictable, Perry is both the nation's best hope and a terrifying liability. Hardened CIA veteran Dew Phillips must somehow forge a connection with him if they're going to stand a chance against this maddeningly

adaptable opponent. Alongside them is Margaret Montoya, a brilliant epidemiologist who fights for a cure even as she reels under the weight of endless horrors. These three and their team have kept humanity in the game, but that's not good enough anymore, not when the disease turns contagious, triggering a fast countdown to Armageddon. Meanwhile, other enemies join the battle, and a new threat — one that comes from a most unexpected source — may ultimately prove the most dangerous of all. Catapulting the reader into a world where humanity's life span is measured in hours and the president's finger hovers over the nuclear button, rising star Scott Sigler takes us on a breathtaking, hyper-adrenalized ride filled with terror and jaw-dropping

action. *Contagious* is a truly grand work of suspense, science, and horror from a new master.

Digital Marketing Strategy *Kogan Page Publishers*

The modern marketer needs to learn how to employ strategic thinking alongside the use of digital media to deliver measurable and accountable business success. *Digital Marketing Strategy* covers the essential elements of achieving exactly this by guiding you through every step of creating your perfect digital marketing strategy. This book analyzes the essential techniques and platforms of digital marketing including social media, content marketing, SEO, user experience, personalization, display advertising and

CRM, as well as the broader aspects of implementation including planning, integration with overall company aims and presenting to decision makers. Simon Kingsnorth brings digital marketing strategy to life through best practice case studies, illustrations, checklists and summaries, to give you insightful and practical guidance. Rather than presenting a restrictive 'one size fits all' model, this book gives you the tools to tailor-make your own strategy according to your unique business needs and demonstrates how an integrated and holistic approach to marketing leads to greater success. Digital Marketing Strategy is also supported by a wealth of online resources, including budget and strategy templates, lecture slides and a bonus chapter.

Contagious *Permuted Press+ORM*

First in the zombie pandemic series by the New York Times–bestselling author. “I can’t give this post-apocalyptic story six stars but I wish I could!” —Tamara Rose Blodgett “I wasn’t afraid of death. If I died, it would be over. My worst fear wasn’t of dying, it was of living. Living, while everyone around me had their flesh savagely torn from their bodies to be shoved into the festering and ever-hungry mouths of zombies. It terrified me, right down to my very core, to be alive while the rest of the world was dead.” During the Second Great Depression, twenty-four-year-old Orissa Penwell is forced to drop out of college when she is no longer able to pay for classes. Unable to find a job, she moves in with her aunt in Indianapolis. Down on

her luck, Orissa doesn't think she can go any lower. She couldn't be more wrong. A virus breaks out across the country, leaving the infected crazed, aggressive, and very hungry. Orissa is used to only being responsible for herself. When she finds herself a reluctant leader of a group of survivors, she must make a choice: set aside her issues and help the others or go off alone in search of her own family and friends. "In her narrative storytelling, Emily Goodwin presents a refreshingly strong female hero in her zombie-infested, survival tale . . . Goodwin has shown that female writers can make flesh crawl, both living and undead, just as well as her male peers." —HorrorAddicts.net

Contagious: by Jonah Berger |

Summary & Analysis *Elite Summaries*

Some things just explode and go viral, while others remain not so popular. "Contagious: Why Things Catch On" provides a clear elaboration of why things go viral, why people talk about certain products or certain ideas, and why are some online contents really booming and infectious. Clue: It is not advertising, because people now seldom listen to advertisements, although they still listen to their friends. "Contagious: Why Things Catch On" teaches the principles of social transmission and word-of-mouth, complete with techniques for helping words to spread. The book written by a Wharton professor of Marketing, Jonah Berger, will definitely help a group of people who want to get their messages across to a huge number

of people. Whether it is for business profit, for political career, or for certain campaigns, this book will teach you the basics on how to make your idea infectious. This book does not only incorporate real actions, but it also provides online strategies such as through YouTube videos. All in all, it provides tips that are insightful, impactful but still are practical and manageable to do. Plain interesting, relevant and easily understood, “Contagious: Why Things Catch On” will also catch on like the ideas contained in it. It is influential and provocative, and it works for people who have almost no budget to begin with. With a very affordable price and free shipping options, you can now start your success and spread words to other people.

Please Stop Laughing at Me *Simon and Schuster*

While other children were daydreaming about dances, first kisses, and college, Jodee Blanco was trying to figure out how to go from homeroom to study hall without being taunted or spit upon as she walked through the halls. This powerful, unforgettable memoir chronicles how one child was shunned—and even physically abused—by her classmates from elementary school through high school. It is an unflinching look at what it means to be the outcast, how even the most loving parents can get it all wrong, why schools are often unable to prevent disaster, and how bullying has been misunderstood and mishandled by the mental health community. You will be

shocked, moved, and ultimately inspired by this harrowing tale of survival against insurmountable odds. This vivid story will open your eyes to the harsh realities and long-term consequences of bullying—and how all of us can make a difference in the lives of teens today.

Building a StoryBrand *HarperCollins Leadership*

More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing

them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In *Building a StoryBrand*, Donald Miller teaches

marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead

singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

Content - The Atomic Particle of Marketing *Kogan Page Publishers*

Content, in all its forms, is the single most critical element of any marketing campaign. Finding a successful equilibrium between content marketing and content strategy is difficult, but essential. Content - The Atomic Particle of Marketing goes beyond superficial descriptions of how to produce engaging social media content to offer the results of many years of deep quantitative research, and hours of interviews with senior marketers at some of the world's

leading brands. Written by a recognised industry thought-leader, Content - The Atomic Particle of Marketing explores how content functions in the broader framework of all marketing, as well as organizational concerns and IT decision making. It demonstrates the value content brings not only to "owned" media initiatives, such as a company website or blog, but also the essential role content plays in all other marketing initiatives, from social media to advertising to offline channels. It will enable readers to make the organizational, staffing, tools and process decisions necessary to get content up and running across divisions and organizational silos. Deeply researched and insightful, Content - The Atomic Particle of Marketing is, quite

simply, the definitive research-based guide to content marketing.

Buyology *Currency*

NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In Buyology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His

startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buyology is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

The Excellence Habit *Central Street Publications*

*Named the Best Motivational book of

2016 by the Independent Book Publishing Professionals Group and Eric Hoffer Award finalist for non-fiction. The Excellence Habit is biography of an idea, and the idea is simple. The main source of success is excellence, and excellence depends more on our internal circumstances; Grit, determination, and the discipline to put in the hard work as a matter of habit

This Is Marketing *Penguin*

#1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the

inventor of countless ideas that have made their way into mainstream business language, from Permission Marketing to Purple Cow to Tribes to The Dip. Now, for the first time, Godin offers the core of his marketing wisdom in one compact, accessible, timeless package. This is Marketing shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the

world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you: * How to build trust and permission with your target market. * The art of positioning--deciding not only who it's for, but who it's not for. * Why the best way to achieve your goals is to help others become who they want to be. * Why the old approaches to advertising and branding no longer work. * The surprising role of tension in any decision to buy (or not). * How marketing is at its core about the stories we tell ourselves about our social status. You can do work that matters for people who care. This book shows you the way.

Decisive *Random House Canada*

The four principles that can help us to overcome our brains' natural biases to make better, more informed decisions--in our lives, careers, families and organizations. In *Decisive*, Chip Heath and Dan Heath, the bestselling authors of *Made to Stick* and *Switch*, tackle the thorny problem of how to overcome our natural biases and irrational thinking to make better decisions, about our work, lives, companies and careers. When it comes to decision making, our brains are flawed instruments. But given that we are biologically hard-wired to act foolishly and behave irrationally at times, how can we do better? A number of recent bestsellers have identified how irrational our decision making can be. But being aware of a bias doesn't correct it, just as knowing that you are

nearsighted doesn't help you to see better. In *Decisive*, the Heath brothers, drawing on extensive studies, stories and research, offer specific, practical tools that can help us to think more clearly about our options, and get out of our heads, to improve our decision making, at work and at home.

Twitter pay off for your business Tools for analyzing your success in each medium When to move forward and when to pull back

The Hero and the Outlaw: Building Extraordinary Brands Through the Power of Archetypes *McGraw Hill Professional*

A brand's meaning—how it resonates in the public heart and mind—is a company's most valuable competitive advantage. Yet, few companies really know how brand meaning works, how to manage it, and how to use brand meaning strategically. Written by best-selling author Carol S. Pearson (*The Hero Within*) and branding guru Margaret Mark, this groundbreaking book provides the illusive and compelling answer.

Using studies drawn from the experiences of Nike, Marlboro, Ivory and other powerhouse brands, the authors show that the most successful brands are those that most effectively correspond to fundamental patterns in the unconscious mind known as archetypes. The book provides tools and strategies to:

- Implement a proven system for identifying the most appropriate and leverageable archetypes for any company and/or brand
- Harness the power of the archetype to align corporate strategy to sustain competitive advantage

Top of Mind: Use Content to Unleash Your Influence and Engage Those Who Matter To You *McGraw Hill Professional*

A game-changing framework for staying top of mind with your audience—from the No. 1 company dominating content marketing. What do many successful businesses and leaders have in common? They're the first names that come to mind when people think about their particular industries. How do you achieve this level of trust that influences people to think of you in the right way at the right time? By developing habits and strategies that focus on engaging your audience, creating meaningful relationships, and delivering value consistently, day in and day out. It's the winning approach John Hall used to build Influence & Co. into one of "America's Most Promising Companies," according to Forbes. In this step-by-step guide, he shows you how to use content to keep

your brand front and center in the minds of decision makers who matter. He reveals:

- how consumer needs and expectations have changed and what this shift means for you
- how to build a helpful, authentic, and consistent brand that serves others just as well as it serves you
- proven methods for using digital content to enrich your target audience's lives in ways that build real, lasting trust

Whether you're a marketing leader engaging an audience of potential customers, a business leader looking to humanize your company brand, or an industry up-and-comer seeking to build influence, maintaining a prominent spot in your audience's minds will increase the likelihood that the moment they need to make a choice, you'll be the first one they call. There's no better way to

drive opportunities that result in increased revenue and growth. Business is never "just" business. It's always about relationships. It's always about a human connection. When you're viewed as a valuable, trustworthy partner, the opportunities are endless. Position yourself for success by establishing and developing content-driven relationships that keep you and your brand Top of Mind.
