Lady Catherine, the Earl, and the Real Downton Abbey *Crown*

Lady Catherine, the Earl, and the Real Downton Abbey tells the story behind Highclere Castle, the setting for Julian Fellowes's Emmy Award-winning PBS show Downton Abbey, and the life of one of its most famous inhabitants, Catherine Wendell. In this transporting companion piece to the New York Times bestseller Lady Almina and the Real Downton Abbey, Catherine, a beautiful and spirited American woman who married Lady Almina's son, the man who would become the 6th Earl of Carnarvon, presides over the grand estate during a tumultuous time for the British aristocracy. Following the First World War, many of the great houses of England faded as their owners fortunes declined in the new political and social world of the 1920s and 1930s. As war loomed, Highclere's survival as the family home of the Carnarvons was again in the balance—as was peace between the nations of Europe. Using copious materials—including diaries and scrapbooks—from the castle's archives, the current Countess of Carnarvon brings alive a very modern story in a beautiful and fabled setting, paying particular attention to the staff who provide Highclere Castle with continuity between generations.

Beauty in the Broken Places

A Memoir of Love, Faith, and Resilience *Random House Trade Paperbacks*

“An inspiring, intimate memoir about faith, resilience and the tenacity of love.”—People “In this emotional tale, a young couple see their lives changed in the blink of an eye—and learn to find love again.”—US Weekly Five months pregnant, on a flight to their “babymoon,” Allison Pataki turned to her husband when he asked if his eye looked strange and watched him suddenly lose consciousness. After an emergency landing, she discovered that Dave—a healthy thirty-year-old athlete and surgical resident—had suffered a rare and life-threatening stroke. Next thing Allison knew, she was sitting alone in the ER in Fargo, North Dakota, waiting to hear if her husband would survive the night. When Dave woke up, he could not carry memories from hour to hour, much less from one day to the next. Allison had lost the Dave she knew and loved when he lost consciousness on the plane. Within a few months, she found herself caring for both a newborn and a sick husband, struggling with the fear of what was to come. As a way to make sense of the pain and chaos of their new reality, Allison started to write daily letters to Dave. Not only would she work to make sense of the unfathomable experiences unfolding around her, but her letters would provide Dave with the memories he could not make on his own. She was writing to preserve their past, protect their present, and fight for their future. Those letters became the foundation of this beautiful, intimate memoir. And in the process, she fell in love with her husband all over again. This is a manifesto for living, an ultimately uplifting story about the transformative power of faith and resilience. It’s a tale of a man’s turbulent road to recovery, the shifting nature of marriage, and the struggle of loving through pain and finding joy in the broken places. Praise for *Beauty in the Broken Places* “Bold and commendable . . . A strength of this memoir is [Allison Pataki’s] scrupulous honesty.”—USA Today “A memoir about . . . determination and gratitude, and the value of putting one foot in front of another during a crisis.”—The Washington Post “Heart-wrenching.”—Women’s Health “Powerful and immersive . . . Pataki delivers an insightful look at how two people faced a life-altering test as a team ‘fighting to make the dreams of our future possible.’”—Publishers Weekly (starred review)

Luster

A Novel *Farrar, Straus and Giroux*

AN INSTANT NEW YORK TIMES BESTSELLER A New York Times Notable Book of the Year WINNER of the NBCC John Leonard Prize, the Kirkus Prize, the Center for Fiction First Novel Prize, the Dylan Thomas Prize, and the VCU Cabell First Novelist Award One of Barack Obama's Favorite Books of 2020 A BEST BOOK OF THE YEAR: NPR, The New York Times Book Review, O Magazine, Vanity Fair, Los Angeles Times, Glamour, Shondaland, Boston Globe, and many more! "So delicious that it feels illicit . . . Raven Leilani’s first novel reads like summer: sentences like ice that crackle or melt into a

languorous drip; plot suddenly, wildly flying forward like a bike down a hill." —Jazmine Hughes, The New York Times Book Review No one wants what no one wants. And how do we even know what we want? How do we know we’re ready to take it? Edie is stumbling her way through her twenties—sharing a subpar apartment in Bushwick, clocking in and out of her admin job, making a series of inappropriate sexual choices. She is also haltingly, fitfully giving heat and air to the art that simmers inside her. And then she meets Eric, a digital archivist with a family in New Jersey, including an autopsist wife who has agreed to an open marriage—with rules. As if navigating the constantly shifting landscapes of contemporary sexual manners and racial politics weren’t hard enough, Edie finds herself unemployed and invited into Eric’s home—though not by Eric. She becomes a hesitant ally to his wife and a de facto role model to his adopted daughter. Edie may be the only Black woman young Akila knows. Irresistibly unruly and strikingly beautiful, razor-sharp and slyly comic, sexually charged and utterly absorbing, *Raven Leilani’s Luster* is a portrait of a young woman trying to make sense of her life—her hunger, her anger—in a tumultuous era. It is also a haunting, aching description of how hard it is to believe in your own talent, and the unexpected influences that bring us into ourselves along the way. “An irreverent intergenerational tale of race and class that’s blisteringly smart and fan-yourself sexy.” —Michelle Hart, O: The Oprah Magazine

What I Learned Losing a Million Dollars *Columbia University Press*

Jim Paul's meteoric rise took him from a small town in Northern Kentucky to governor of the Chicago Mercantile Exchange, yet he lost it all--his fortune, his reputation, and his job--in one fatal attack of excessive economic hubris. In this honest, frank analysis, Paul and Brendan Moynihan revisit the events that led to Paul's disastrous decision and examine the psychological factors behind bad financial practices in several economic sectors. This book--winner of a 2014 Axiom Business Book award gold medal--begins with the unbroken string of successes that helped Paul achieve a jet-setting lifestyle and land a key spot with the Chicago Mercantile Exchange. It then describes the circumstances leading up to Paul's \$1.6 million loss and the essential lessons he learned from it--primarily that, although there are as many ways to make money in the markets as there are people participating in them, all losses come from the same few sources. Investors lose money in the markets either because of errors in their analysis or because of psychological barriers preventing the application of analysis. While all analytical methods have some validity and make allowances for instances in which they do not work, psychological factors can keep an investor in a losing position, causing him to abandon one method for another in order to rationalize the decisions already made. Paul and Moynihan's cautionary tale includes strategies for avoiding loss tied to a simple framework for understanding, accepting, and dodging the dangers of investing, trading, and speculating.

A Short Guide to a Happy Life *Random House*

From the New York Times bestselling author of *Alternate Side*, Anna Quindlen’s classic reflection on a meaningful life makes a perfect gift for any occasion. “Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be wonderful if they came to us unsummoned, but particularly in lives as busy as the ones most of us lead now, that won’t happen. We have to teach ourselves now to live, really live . . . to love the journey, not the destination.” In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to “get a

life”—to live deeply every day and from your own unique self, rather than merely to exist through your days. “Knowledge of our own mortality is the greatest gift God ever gives us,” Quindlen writes, “because unless you know the clock is ticking, it is so easy to waste our days, our lives.” Her mother died when Quindlen was nineteen: “It was the dividing line between seeing the world in black and white, and in Technicolor. The lights came on for the darkest possible reason. . . . I learned something enduring, in a very short period of time, about life. And that was that it was glorious, and that you had no business taking it for granted.” But how to live from that perspective, to fully engage in our days? In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living.

The Line of Beauty

A Novel *Bloomsbury Publishing USA*

Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.
