Pestilence A Medical Thriller The

The idea of a Medical Thriller is very appealing and potentially a way to engage and inform an audience about plausible risks and scenarios. Well Victor accomplishes that in Volume One Plague but repeats himself and exaggerates some of the action to the point where it becomes fantasy or something you would expect to find in a comic book or bad horror film.

This novel is therefore a two-in-one. The first half of it reads like a great mystery, and the second half is a full blown medical thriller, what with a medieval contagion stalking residents of a town. The initial 50 pages or so were rather slow, but once it picked up pace from thereon, it was gripping!
