Profit and the Practice of Law: What's Happened to the ...

Although Profit Practice launched in 2018, we have deep-rooted experience in dentistry, business management and generating new leads. In 2017, we became owners of an independent dental practice and quickly realised that we need to build a brand and put ourselves in front of patients who are actively seeking a new dentist or a certain high-value treatment.

About us - Profit Practice

The profit and loss account is a financial statement which represents the revenue that the business has received over a given period of time, and the corresponding expenses which have been paid. It also shows the profit that the business has made over a period of time (usually 12 months) and the uses to which the profits have been put.
