Third Edition Reviewers Our heartfelt thanks go out to our colleagues from schools of nursing across the country who have given their time generously to help create this exciting new edition of our pharmacology textbook. These individuals helped us plan and shape our book and resources by reviewing

chapters, art, design, and more.

Pharmacology - Pearson

For courses in pharmacology. A holistic approach to pharmacology essentials Pharmacology for Nurses: A Pathophysiologic Approach simplifies pharmacology by linking it tightly to therapeutic goals. Instead of learning about drugs in isolation, students approach them by body systems and diseases in order to draw connections between A&P, diseases, and drug interventions.

Pharmacology for Nurses: A Pathophysiologic Approach ...

The list of print allied health books and journals that follows has been compiled to serve as a selection guide, but not as a standard. It is primarily geared to academic and health sciences librarians who are not familiar with the literature and who need to acquire publications in the various disciplines that make up the umbrella term "allied health."
