An extraterrestrial or alien is any extraterrestrial lifeform; a lifeform that did not originate on Earth. The word extraterrestrial means "outside Earth". The first published use of extraterrestrial as a noun occurred in 1956, during the Golden Age of Science Fiction. Extraterrestrials are a common theme in modern science-fiction, and also appeared in much earlier works such as the second-century parody True History by Lucian of Samosata. Gary Westfahl writes: Science fiction aliens are both me

Five books to read if you love portraits of historical figures

Traditionally the treatment of historical figures in fiction was realistic in style and respectful of fact. A historical novel would be true to the facts known about the period in which the novel is set, a biographical novel would follow the facts that are known about the protagonist's life, and a "roman à clef" would try to give an accurate interpretation of what is known about a public ...
