The first Julie Garwood book I listened to
was "The Bride". Because I loved that
audio book some much I bought "The
Prize". I really enjoyed the story but I
was very disappointed with the
narration. Anne Flosnik's performance

The Prize by Julie Garwood. This story
covers all the ups and downs of
earthy/heaven sent romance with a twist
of demented humor. The book just
makes me happy. The action adventure

is well done. The characters are
thoughtfully put together and brought to
life. I am a little sad and lonely when the
adventure is concluded.

Editions of The Prize by Julie Garwood - Goodreads

Julie Garwood is a master romance writer, and "The Prize" is one of her best. The lead characters are classic Garwood - a brave, naive heroine and a strong, patient hero. The genius of Garwood is that her heroines can be kind of flighty and ditzy and still be charming rather than annoying.
