focusing exclusively on the contribution of art to social work or vice versa. The use of art in social work can perhaps primarily be attributed to the belief that art intrinsically represents certain 'superior', sacred values, and that its use by social workers will necessarily have positive

Art and social work

Social practice is an art medium focusing on engagement through human interaction and social discourse. Since people and their relationships form the medium of such works – rather than a particular process of production – social engagement is not only a part of a work's organization, execution, or continuation, but also an aesthetic in itself: of interaction and development. Socially engaged art aims to create social and/or political change through collaboration with individuals ...
