Fiscal Multiplier - Overview, Formula, How To Measure, Factors

How to Measure the Fiscal Deficit. A primary objective of fiscal policy is to balance the use of resources of the public and private sectors and, by so doing, to avoid inflation and balance of payments pressures. The correct measure of the public sector's net resource use—the fiscal deficit—is, therefore, an important prerequisite for macroeconomic management.

Every business has a

fiscal year. A company's fiscal year is its financial year; it is any 12-month period that the company uses for accounting purposes. The fiscal year is expressed by stating the year-end date. A fiscal year-end is usually the end of any quarter, such as March 31, June 30, September 30, or December 31.

How to Determine Your Company's Fiscal Year

The fiscal year is the consecutive 12-month period during which a business or organization plans its budget. It does not have to be from January to December; in fact, most organizations opt to have their fiscal years end at the natural end of their business cycle.

For example, retailers often select January 31 as the last day of the fiscal year; however, most businesses use the 12-month period beginning July 1.

As noted earlier, a

common measure of the fiscal balance is the overall balance, namely, the difference between revenue and grants, and expenditure and net lending (all of which are thus above the line). 15 Viewed from below the line, a deficit in the overall balance is financed by a drawdown in cash assets (and use of other financial assets acquired for liquidity purposes) and by an increase in the government's debt liabilities through borrowing from external and domestic sources--the ...

To construct an acceptable measure of fiscal policy, one must eliminate feedback

effects from the economy. This can be done by constructing a hypothetical government budget. Economists estimate what government expenditures and tax receipts would be if the economy were at full employment and calculate the deficit or surplus from this budget.
