Heather M. Hart Kirton. 5.0 out of 5 stars Excellent for beginners. January 13, 2010. Format: Paperback Verified Purchase. I bought this book for my daughter (8th grader) who is really getting into mosaic art after completing a project she did in art class last spring. This book has great ideas for patterns, and shows each pattern in several different color combinations, which is great because it shows her that she doesn't just have to copy the pattern.
