In literature, the turning point or climax is the point of highest tension in a narrative; it's the most exciting and revealing part of a story. It leads the rising action into the falling action before a story is resolved and reaches the conclusion. From a narrative's beginning, all of the action rises up to the turning point, where questions are answered, secrets are

revealed, conflicts are resolved, and everything begins to come to a close.

TURNING POINT FOR BARYSHNIKOV - The New York Times

NASHVILLE — Al Gore wants to make a point about cellphones, and he has a helpful set of slides on his laptop. "Do you want to see that?" he asks, and starts to turn the MacBook around. "It's not two hours — don't worry." Mr. Gore knows he is The Guy With the Slides, the man who will talk about the environment until you

can no longer remember the color of the sky.

Here are seven keys to making every crisis a turning point that empowers your future.

First, you keep on tithing and giving offerings even when your mind says you can't afford it. If the enemy can ever get you to believe you can't afford to tithe or give offerings. . . he has the ability to take advantage of you.
