The squeaky wheel gets the grease is an American proverb or

metaphor used to convey the idea that the most noticeable problems are the ones most likely to get attention. It is also expressed as "The squeaky wheel gets the oil". Other variations exist, and suggest that loudness gets attention, and prolongs the life of the hub. Conversely, a silent hub may be overlooked and neglected. And there is no necessary correlation between loudness and stridency and merit.

It's an iron law of politics that the

squeaky wheel gets the grease. Yet in spite of a quarter-century of the Australian arts sector being systematically squeezed -- derided as a self-indulgent drain hole for public money -
- there has been very little squeak, with no effective and sustained campaign for funding of the sector as a whole.
