 Unlike conventional methods of change management, Viral Change(TM) is faster, far more effective, potentially more inclusive and certainly long lasting. Since change is constantly present in any organisation, this book will appeal to people at different levels of management or leadership, who want to reshape their culture through the power of internal social networks and aim at greater organisational effectiveness in day-to-day organisational life (not just during change initiatives).

Slow, Painful and ...

Most conventional 'change management' programmes fail. This is mainly due to the fact that they are often based on wrong assumptions such as: .When we change the process/system, people will change their behaviour .Changes need to come from the top and filter down .Big changes need big actions .Cultural change is a painful, long-term process with no short-term results Viral Change(TM) provides ...

Leandro is a former psychiatrist, he runs his own consultancy called The Chalfont Project Limited, and he's written several books, including Viral Change: The Alternative to Slow, Painful and Unsuccessful Management of Change in Organizations. This book is very interesting because it turns a lot of conventional wisdom upside down, so I'm hoping to unpack some of those notions with Leandro today.
