International Medical Graduate and the United States Medical Residency Application

A Guide to Achieving Success *Springer Nature*
This unique, socially conscience reference provides valuable guidance to international medical graduates (IMG’s) looking to complete a residency in the United States. The medical residency application process in the United States is competitive and complex. Additionally, many IMG’s go through training programs that sharply differ from the medical school training and the sociocultural elements of United States medicine and residency are unlike any other country. Organized into three parts, this book meets the need for a pragmatic, evidence based guide that answers important questions, and imparts indispensable advice to IMGs. Part I directly tackles the concerns IMG’s have regarding specific elements of residency applications, including the importance of a master’s degree and how to get a strong letter of recommendation. Part II then addresses how to prepare for interviews, preliminary programs and travel. Finally, the book answers the common “what ifs” and “what’s next” questions many IMG’s ponder. International Medical Graduate and the United States Medical Residency Application: A Guide to Achieving Success is a first-of-its-kind resource that presents a holistic view of residency application peppered with real life examples, easy to grasp tables and flow charts and key do’s and don’ts to drive home the complex process involved in residency application.

First Aid for the USMLE Step 1

2007 *McGraw Hill Professional*

First Aid for the Psychiatry Clerkship, Sixth Edition *McGraw Hill Professional*
The best selling resource for the psychiatry clerkship Excel on your rotation, impress on the wards, and score your highest on the shelf exams with this best-selling reference. This new edition of First Aid for the Psychiatry Clerkship has been updated with the latest clinical perspectives and research. Ask just about any student who has been through their psychiatry rotation and they will tell you that THIS was the resource they turned to.

It not only aligns with national clerkship curricula, but also follows the shelf exam blueprint and is full of helpful mnemonics, ward tips, exam tips, and integrated mini-cases. The chapter “How to Succeed in the Psychiatry Clerkship” provides a solid foundation for setting new clerks up for success in their psychiatry rotation. The text highlights all of the important topics, presenting a clear, concise review of psychiatry with a strong clinical emphasis that guides you in the diagnosis and treatment of many problems seen by psychiatrists. First Aid for the Psychiatry Clerkship features: The latest clinical research and perspectives Helpful mnemonics Ward tips and integrated mini-cases Images, diagrams, and flow charts in a fresh new-full color design A complete chapter on How to Succeed on the Psychiatry Clerkship Summary boxes with high-yield information needed for exam success

First Aid Cases for the USMLE Step 1, Third Edition *McGraw Hill Professional*
Vols. for - by: Tao Le, James S. Yeh.

Reinforced Concrete Bridges

Oxford Handbook for the Foundation Programme *OUP Oxford*
The Oxford Handbook for the Foundation Programme returns for a new edition with clear and thorough clinical guidance and honest advice to help you excel in your first two years as a doctor. This edition has been fully updated in line with the latest guidelines and gives you practical, step-by-step guidance on everything from neurological to gastroenterological presentations. Emergency presentations are easily identifiable, giving you fast access to the information you need. This edition also includes a fully revised chapter on pharmacopeia with references to the British National Formulary, as well as chapters on practical procedures and interpreting results, acting as a guide for surviving on - and off - the wards. The Oxford Handbook for the Foundation Programme is also a unique resource for things they don't teach you at medical school about being a doctor and life on the wards. The authors have drawn on their own experiences and careful research to help you understand issues ranging from your pay and pension, stress and workplace relations, paperwork, and career development. This is an excellent resource for Foundation Programme trainees and medical students preparing themselves for life as a doctor. With this pocket-sized guide at your side you'll never be alone on the wards again.
