Kids storytime: five creatures - YouTube

The text, whimsically drifting along the borders of the full-page illustrations, details common characteristics of five creatures, namely a little girl, her mother, her father, and their two cats. The erasure of the line that separates humans and animals in this family is very interesting, and the different groups that they split into can provide good conversational material for a parent and child.

Five Creatures by Emily Jenkins - goodreads.com

"Five creatures live in our house. Two big and three small. Two with gray hair, three with orange. Only one who likes beets." Also available in France, Japan, and Mexico.
