The Economics of Cultural Policy - Cambridge Core

In addition to full-length papers, the journal offers short papers and book reviews. Officially cited as: J Cult Econ —. Examines the theoretical development of cultural economics, application of economic analysis and econometrics, and economic aspects of cultural policy. Applies economic analysis to all of the creative and performing arts and the heritage and cultural industries.

Journal of Cultural Economics | Home

In A Textbook of Cultural Economics, one of the world's leading cultural economists shows how we can use the theories and methods of economics to answer these and a host of other questions concerning the arts (performing arts, visual arts and literature), heritage (museums and built heritage) and creative industries (the music, publishing and film industries, broadcasting).
