Experiencing God through prayer Knowing and Doing the Will of God Inside this book are great insights that will shift you into another realm of faith and help you build capacity in prayers to get answers to your prayer requests. It is time for the world to dive deeper in faith and come into the proper knowledge of God. I await your testimony as you study this faith manual. Your Guide to Finding Spirituality in this present world An average 21st-century believer has replaced spirituality with religion. We engage in all manner of things we call spiritual activities today to show our commitment level, believing that these things prove our spirituality. Still, we have deviated from true spirituality. Spirituality reveals our love for God, our

faith in Him. It is simply a lifestyle of faith, for, without faith, it is impossible to please God, and if we can't please God, we cannot walk with Him in truth and Spirit. Without faith, we can't believe in the word of God, and without our belief, we can't obey. Religion has kept many Christians in bondage today, doing all manner of things to seek God. No man can be fruitful in this kingdom through the practice of religion. Faith is what liberates us from every oppression of the devil; from the burden and weights the devil is using to drag you down, but the Bible says come unto me all ye that thirst, labor and heavy laden and I shall give you rest. Every man who desires to enjoy intimacy with God through the Holy ghost and desires to do exploits for God must stay and build his capacity and

faith. Faith is the only tool a man can engage in enjoying a life of the supernatural. Inside this book are great insights that will shift you into another realm of faith and help you build capacity in prayers to get answers to your prayer requests. It is time for the world to dive deeper in faith and come into the proper knowledge of God. I await your testimony as you study this faith manual.

fellow Christians to pray. Experiencing God is a treasury of his best insights. Drawn from lectures given by Fr. Green, Experiencing God is now in print for the first time—an appropriate commemoration of the faithful life and work of this beloved teacher and author. Ideally suited to faith sharing groups, parish retreats, and ministry formation workshops.

**Praying the Truth** *Loyola Press*  
We don't question our desire to be open with our close friends about our feelings, even if those feelings are difficult to express. We recognize that being honest

with our loved ones will only deepen our bonds and help us feel peace in being able to express our innermost thoughts. Why then is it so challenging for us to come as we are, however we are, when approaching God in prayer? In *Praying the Truth: Deepening Your Friendship with God through Honest Prayer*, William A. Barry, SJ, helps us deepen our friendship with God by examining how to approach God, at any time and with any problem, in complete honesty. Fr. Barry reflects on how secrecy can hurt families, the Church, and ourselves and how what we are keeping secret can get in the way of our connection with God. He acknowledges that we may fear God's reaction when revealing our most intimate truths; but just like with friendships, we risk not developing our

relationship with God if we are dishonest about who we are and how we feel. Praying the Truth helps us realize that if we do not approach God in complete honesty, we may be holding back a part of ourselves that needs to be healed. By learning how to communicate honestly with God, our friendship with God and our faith in God's promise to love us unconditionally will be strengthened. "Thanks to *Praying the Truth*, I am beginning to understand that prayer is simply hanging out with God! As I read this book, I felt as if the author seemed to be sitting beside me, just talking to me as I read." -- Anonymous reader

For anyone who longs to experience God in the thick of life's demands, Sara Hagerty's *Adore* offers a simple, soul-nourishing practice for engaging with God in the middle minutes of your day. None of us signed up for a conventional experience with the unconventional God, yet too often the spiritual life can become routine, dare we say, even boring. In *Adore*, Sara Hagerty gives us all permission to admit "I barely know You, God," and with this honest admission, to scoot a little nearer to this

familiar stranger. Adoration is the simple practice Sara discovered for starting where you are, and letting the grit of your day greet the beauty of God's presence. Adoration is for the woman who feels frenzied and fearful in the middle minutes of her day. It is a simple practice for 7:37 a.m. when the children are waking and the dryer is already humming but also for the 12:17 p.m. lunch break and for 5:53 p.m. while stuck in traffic. Adoration is the place where we put how we feel in front of God's Word, and watch what happens to our insides. It's what you were made for. Join Sara in this soul-stirring journey through thirty attributes of God which you can walk through at your own pace. Learn how the simple habit of adoration--in the middle minutes of your day--can

**Experiencing God in the Ordinary**  
*Loyola Press*

2021 Illumination Book Awards, Silver Medal: Theology God's presence is not "out there" but right here. As we learn to notice spiritual movement within and around us, we can recognize the many facets of God's love that touch us daily. "As a priest and spiritual director of many decades, my driving desire is for people to experience God's limitless love for them and to recognize it when it emerges in what they consider just

ordinary life happenings and conversations.” —William A. Barry, SJ
