Giving Back: New York Puzzle Company decided to take its environmental engagement one step further by becoming a member of 1% for the Planet. This means we pledge 1% of the sale of each puzzle to environmental non-profits committed to creating a healthy planet. Find out more about 1% for the planet and our partner non-profits on our website.

New York Puzzle Company

The answer to this problem involves infinity. The clerk knows about infinity, and that the counting numbers are

infinite, so he moves the person in room 1 to room 2, the person in room 2 to room 4, the person in room 3 to room 6, and, indeed, each person to a room whose new number is twice the number of his old room.

The Russell Crowe Hotel Puzzle - The New York Times

The Infinity Puzzle charts the birth and life of the idea, and the scientists, both household names and unsung heroes, who realized it. Based on numerous firsthand interviews and extensive research, the book captures an era of great mystery and greater discovery.
