Helen and Rees.

There's no plot to speak of and the two main characters are two dimensional. There is little emotional interplay in this book. The Hero is rude, abusive and arrogant with very little reason apart from his father and being a musician!?!

What character would you cut from Your Wicked Ways? All and start over. Any additional comments? I love Eloisa James books but this one was a real stinker. The characters are unlikeable and stupid. I kept waiting for the story to get better but half way though it was apparent it wasn't. I had to quit, the characters were so dull and uninteresting.
