- [Voiceover] Hello grammarians. Today I wanna introduce the idea of the verb tense, and the way I wanna do that is to express the following, if you can master grammatical tenses, you will become a time wizard, a literal, actual time wizard because tense is nothing more than the ability of verbs to situate themselves in time, specifically in three different times so in the past, the present ...

There are a few grammatical issues which can cause problems for Vietnamese learners. The first relates to the verb to be. The Vietnamese equivalent of the verb to be is là, but là

is not used in the same way as to be. In English we use to be to link the subject and a predicative adjective – for example He is hungry.

Problem of Selection of Material for Teaching Forms and Structures One of the challenges and problems before the teachers of grammar is the selection of suitable examples to teach grammatical rules and forms. In the old traditional grammars examples used for illustrating rules are of alien context for the Indian students.

Challenges and Problems in the Teaching of Grammar

Teaching Continuous tenses. Students

are sometimes shocked at the end of an Intermediate or Upper Intermediate textbook to find that there is yet another tense waiting for them there – often the Future Continuous, but perhaps instead the infamous Past Perfect Continuous or even the Future Perfect Continuous. The structure of will + be + ing should be fairly straightforward for them if they know be + ing of the Present Continuous, and ditto for had + been + ing if they know have + been ...

How To Teach The Future Continuous Tense By Alex Case Many people dispute the need to practise a tense as rare as the Future Continuous, but I see it as such useful revision and expansion of

the continuous aspect (Present Continuous, Past Continuous and Future Continuous), that it hardly matters how often students will need to understand or use it.

How To Teach The Future Continuous Tense | Teflnet

While there are problems when learning English for all learners no matter their first language, it can be useful to get to know what problems are specific to a particular first language. Now, for example, if you are teaching a French student one-to-one or a class of French learners you will have a better understanding of the problems they may have and so you will be able to anticipate the errors.

After ten years as a teacher, I was going to start teaching groups of teenagers for

the first time. Up to this point, I had only taught adults, with a few teens in amongst the older students, but now I would have groups of exclusively teens in classes of around 15. Luckily for me I have good friends so they gave me loads of great advice (which you can read here on my blog).
