Death By Design

Death by Design, a feature length documentary, explores this question and uncovers a global story of damaged lives, environmental destruction and devices that are designed to die. The Film You won't look at your iPhone in quite the same way again after viewing Sue Williams' thoughtful documentary

Home - Death by Design

When Kimberly contacted me for an interview for her new podcast, Death by Design, I was intrigued. Her experiences of both personal loss and years of hospice work make her a unique resource on death and dying. Her passion and zeal for planning ahead make her a unique resource on life and living it to the very end...by design.

Directed by Germain Burger. With Barbara James, John Longden, Wally Patch, Leonard Sharp.

Death by Design (1943) - IMDb

This was due not only to the poor design and construction of British tanks, but also to the lack of thought and planning on the part of successive pre-war governments and the War Office. Death by Design explores how and why Britain went from leading the world in tank design at the end of the First World War to lagging far behind the design quality of Russian and German tanks in the Second World War.
