Robert And James Adam Architects

Information. When talking about ‘Georgian architecture’ the buildings designed by Robert Adam (1728-1792) are among the first that come to mind. The Adam brothers, Robert and James (1732–1794), were born in Kirkcaldy, Fife, the sons of Scotland’s most famous architect William Adam (1689-1748). They were architects, builders, designers and developers, as well as suppliers of building materials.

The works in architecture of Robert and James Adam - The ...

During the second half of the eighteenth century British architecture moved away from the dominant school of classicism in favour of a more creative freedom of expression. At the forefront of this change were architect brothers Robert and James Adam. Kondo’s work places them within the context of eighteenth-century intellectual thought.
