transactions where security interests are taken in personal property. 1 It regulates creation and enforcement of security interests in movable property, intangible property, and fixtures.

Secured transactions in the United States - Wikipedia

In the United States, secured transactions in personal property (that is, anything other than real property) are governed by Article 9 of the Uniform Commercial Code (U.C.C.). The law treats differently those creditors who are secured (i.e. have an authenticated, perfected security interest) from those creditors who are unsecured. An unsecured creditor is simply a person who is owed money and has not received payment according to the

terms of the agreed upon transaction.
