The importance of the trials and death of Jesus for the early Church is undeniable. The New Testament writers were interested in the events leading up to Jesus' death, but these events created two problems. First, the earliest Christians needed to explain why and how Jesus was killed by the Romans. Secondly, the early theologians of the Church, determined to promote Jesus as the new Jewish saviour, had the task of explaining why it was necessary for Jesus the Jew to become anathema to the ...

The Trial and Death of Socrates. Socrates, revered founder of the Western philosophical tradition, is better understood as a mythic philosopher than as a historical figure. He lived in Athens, from 469 until his execution in 399 BCE. He never wrote a word -- our knowledge of the philosophy of Socrates depends absolutely on the records of his students and contemporaries.
