For Exploring Creation with Physical Science, 3rd Edition, the softcover student text sells for the same price as a hardcover student text. That simply makes no sense. Of course, the real problem with the course isn't the makeup of the book; it's the content. For example, the book contradicts itself when

it comes to temperature.

This MP3 CD contains a complete audio recording of the Exploring Creation With Physical Science, 3rd Edition, course.

Auditory learners take in written information better if they hear it as they read along. Audio helps them stay focused because their brains are able to give more attention to the text. And because rereading and pauses are greatly reduced, they cover more ground in less time —

which is encouraging for them and gives them more confidence as scholars.
