A World Beyond Politics A

A World beyond Politics? is a remarkable tour d'horizon that happens to be a genuine tour de force. ---James W. Ceaser, Claremont Review of Books By simultaneously insisting upon the (limited) intelligibility of natural, human, and political matters and remaining open to the questions that invite theological responses, Manent has already achieved a great deal and put us all in his debt.

It's the illusion that we would be better off without politics--at least national politics, and perhaps all politics. It is a fantasy that if democratic values could somehow detach themselves from their traditional national context, we could enter a world of pure democracy, where human society would be ruled solely according to law and morality. Borders would dissolve in unconditional internationalism and nations would collapse into supranational organizations such as the European Union.
