The Great Good Thing

A Secular Jew Comes to Faith in Christ *Thomas Nelson*

No one was more surprised than Andrew Klavan when, at the age of fifty, he found himself about to be baptized. The Great Good Thing tells the soul-searching story of a man born into an age of disbelief who had to abandon everything he thought he knew in order to find his way to the truth. Best known for his hard-boiled, white-knuckle thrillers and for the movies made from them--among them True Crime and Don't Say a Word--bestselling author and Edgar Award-winner Klavan was born in a suburban Jewish enclave outside New York City. He left the faith of his childhood behind to live most of his life as an agnostic until he found himself mulling over the hard questions that so many other believers have asked: How can I be certain in my faith? What's the truth, and how can I know it's the truth? How can you think, live, and make choices and judgments day by day if you don't know for sure? In The Great Good Thing, Klavan shares that his troubled childhood caused him to live inside the stories in his head and grow up to become an alienated young writer whose disconnection and rage devolved into depression and suicidal breakdown. In those years, Klavan fought to ignore the insistent call of God, a call glimpsed in a childhood Christmas at the home of a beloved babysitter, in a transcendent moment at his daughter's birth, and in a snippet of a baseball game broadcast that moved him from the brink of suicide. But more than anything, the call of God existed in stories--the stories Klavan loved to read and the stories he loved to write. Join Klavan as he discovers the meaning of belief, the importance of asking tough questions, and the power of sharing your story.

Am I an Antisemite? *Createspace Independent Publishing Platform*

Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to

carry on the battle against the hidden powers of darkness-perhaps not quite so hidden today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall discuss during the ensuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his fellowmen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal

words, "I am the Resurrection and the Life." Fortified with these precious heritages it is our hope to carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians-. Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire, republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

On Union With God

Christianity A&C Black

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because

his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge of God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

Chosen by God

This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God

and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

I, Church *Createspace Independent Pub*

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan

B. We are it! i call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

Things to Come

A Brief History of the Bible *Createspace Independent Publishing Platform*

Initially it was not my intention to write a book, I was just looking for answers. Answers to questions I had after my involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat

lined. I suffered a cardiac arrest and complete repertory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. Things To Come will give the reader a thorough understanding of what the Bible says and what Christianity means for a believer. The book is divided into six sections; The Covenants, covers God's Covenants, His chosen people and God's will for mankind. The Holy Spirit, whom the Father sent to us after Christ's ascension, details the twelve current ministries of the Holy Spirit in our lives. The Prince of Darkness explains Satan's role in everyday life. Satan is not omnipresent so he cannot possibly involve himself in the daily affairs of eight billion people. God's Providential involvement in everyday life is revealed in the 4th chapter. The Tribulation and the Rapture addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter The Alpha and the Omega specifies the personal relationship a believer has with Christ. Things To Come is a very good book for anyone that desires a deep understanding of Scripture and either does not have the time for daily reading of Scripture or finds the Bible hard to understand. A word about PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme

nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience. The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In *Just War, I* (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. The Company I was with in Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policeman, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me. My other book; *A Brief History of the Bible's Things To Come*, is the information I needed to reconstruct a new worldview based on my experiences and the new person I had become. If you want to get your life back after suffering from PTS, it is imperative you find a new worldview for the new you.

Ordained by God *Createspace Independent Publishing Platform*

This book will allow you to experience, as you read, what it was like for this woman of God, as she graciously started ministry at just 18 1/2 years old. Elder, Evangelist, Della Clark, has been called, chosen, and appointed by God to go into all the world to preach the Gospel of Jesus Christ. She is equipped and anointed to finish the work that He has called her to do. This book is a great read, and as you peel back each page, you will begin to

see, that, on her journey, she has made full proof of the ministry by the power of the Holy Spirit. Elder, Evangelist, Della Clark, boldly confesses with conviction that "No devil in hell can stop it" because her work and call into the ministry is ordained by God. And I thank Christ Jesus our Lord, who hath enabled me, for that, he counted me faithful, putting me into the ministry; 1Timothy 1:12KJV Authors note... Keep pressing on as you are courageous and free and never held back by fear, intimidation, or defeat. The battle belongs to the Lord, and He has the final victory...

The Great Procession

The Great Procession chronicles a series of encounters with the Holy Spirit that Jacob Reeve experienced over the course of nine

months immediately following a 40-day fast. During this time, Jacob was awakened almost every night by the Spirit to receive the next portion of an ongoing parable that picked up where it left off the night before. As the story unfolds, so does the contrast between the divisive religious mindset and the mindset of pure identity in Christ. The Spirit is revealing what it looks like for mankind to venture out from the island of isolation and into the open forests of God's Kingdom: hence the Great Procession. For many, this parable will represent a foundational shift in the way everything is seen. The Incredible insights from the Holy Spirit answer many of those deep-down questions about life, purpose, and faith that many of us have, and will prove to be an indispensable resource for anyone who desires to live in a wholehearted, full embrace with Christ, knowing the King and His Kingdom, and living in the true faith, freedom, and love that the Holy Spirit beckons us into.

Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a

generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

True Christianity

It May Not Be What You Think

True Christianity: It May Not Be What You Think seeks to define true Christianity and to help persons progress toward practicing it. The second edition includes some changes/corrections, some updated links, and seven new chapters, which makes a total of 51 chapters (in addition to the introduction). The book's introduction is followed by 51 mainly very short chapters that are subdivided into five parts. The chapters in the first part define true Christianity (also called authentic Christianity or real

Christianity) and offer general guidelines for practicing it. Chapters in the second section discuss specific attitudes and beliefs. Chapters in the third segment cover specific behaviors. The fourth portion is probably the most unusual one. It discusses the relationship between Christianity and some other beliefs and practices. This fourth section includes generally very brief discussions of subjects such as atheism, agnosticism, religions other than Christianity, hypnotism, mental illness, and ESP. One chapter in this fourth part deals briefly with some of the unusual events the author has experienced or witnessed. Part five concludes the book with a brief summary/epilogue. A few chapters in the book deal much with the author's own views and/or experiences. A few cite numerous other sources to support the author's views. All chapters reflect the author's personal perspective rather than that of any particular Christian denomination or any other person. Each chapter after the introduction contains two or more sometimes provocative "Questions for Reflection and Discussion." The author hopes the book will help persons live happier, healthier, longer, more fruitful lives by coming closer to practicing true Christianity.

The New Magnified Version of Isaiah in Plain English!

The Understandable Version of the Book of Isaiah! *Createspace Independent Publishing Platform*

The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all

such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New

MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

God's World and the Great Awakening *Oxford University Press*

In God's World and the Great Awakening, Professor Clark's main concern is with the way we can `turn aside' to the Truth from the normal delusions of self-concern. He restates a traditional, Neoplatonic metaphysics as the proper context for scientific and religious practice, and defends a serious Platonic realism against both scientism and anti-realism. Neither scientism, which identifies Truth with what can be revealed to the objectifying gaze, nor fashionable anti-realism, which equates Truth simply with what `we' choose to take seriously, offer an adequate ground for our scientific or religious faith. The primary faith of humankind is that there is a real world which is more than an obsequious shadow of our desires and fancies, and this real world can be discovered through right reason. The defence of this faith requires a properly worked, Platonic metaphysic of just the kind discernible in Christian orthodoxy. The other two volumes are: Civil Peace and Sacred Order (1989) and A Parliament of Souls (1990).
