The Phantom of the Opera is a novel by French writer Gaston Leroux. Christine Daaé travels with her father, a famous fiddler, throughout Europe, and plays folk and religious music. When Christine was six years old, her mother died and her father was taken to rural France by a patron, Professor Valerius. While Christine was a child, her father told her many stories about the "Angel of Music", who is the personification of musical inspiration. Christine meets and befriends the young Raoul, Viscount of Chagny. One of Christine and Raoul's favourite stories is one of Little Lotte, a girl who is visited by the Angel of Music and possesses a heavenly voice. Christine now lives with "Mamma" Valerius, the elderly widow of her father's benefactor. She eventually is given a position in the chorus at the Paris Opera House (Palais Garnier). She begins hearing a beautiful, unearthly voice which sings to her and speaks to her. She believes this must be the Angel of Music and asks him if he is. The Voice agrees and offers to teach her "a little bit

of heaven's music". The Voice, however, belongs to Erik, a physically deformed and mentally disturbed musical genius who was one of the architects who took part in the construction of the opera house. He is in love with Christine.

Phantom of the Opera *Graphic Arts Books*

The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, The Phantom of the Opera has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1886 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes

Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's The Phantom of the Opera is a classic of French literature reimagined for modern readers.

More than a love story, "The Phantom of the Opera" is a gothic tale of obsession which led to madness. The Paris Opera House and its hidden rooms and underground are perfect place to develop a horror story. Gaston Leroux noticed this potential and utilized it to great effect. At first glance, "The Phantom of the Opera" may seem dry, or written more from a reporter's perspective. Readers who delve beyond the dry exterior will find, however, an immeasurable cornucopia of amazing characters, events and one of the best literary love's and gothic work of fiction. Gaston Leroux paints a world of amazing detail, one which completely absorbs the reader. "The Phantom of the Opera" revolves around the Vicomte Raoul de Chagny who has fallen in love with the beautiful Christine who is being haunted by a mysterious "ghost" in her dressing room. The plot moves as anyone would suspect when Christine begins to return the feelings of the Vicomte but then he soon comes to realize that Christine's ghost is real and has a thing or three to say about their relationship. The character of the "phantom," or Erik, is filled with raw emotion, mystery, and love. Even readers who don't like his character will be moved at his attempts to woo Christine, and how shallow, yet dangerously innocent she is. Though more than a century old, Gaston Leroux's "The Phantom of the Opera" will remain a classic for years to come.

On September 23, 1909, the Parisian daily newspaper, Le Gaulois, published its first installment of Gaston Leroux's *Le Fantôme de l'Opéra* (The Phantom of the Opera). This type of serialized publication, in France called a "feuilleton," was common from the middle of the 19th century through the beginning of the 20th century. Many

authors of the day published their novels section by section in newspapers to gain readership and to work out ideas before the publication of the first edition. Between the newspaper printing and the first edition, it was common for chapters to be added, rewritten, or removed as part of the editing process. In the *feuilleton* of *Le Fantôme de l'Opéra*, Gaston Leroux wrote a chapter called "L'enveloppe magique" ("The Magic Envelope"). Leroux decided to omit this chapter from his first edition, and so it only appeared in *Le Gaulois*. Since the *feuilleton* has never been translated, few people apart from the most dedicated Phantom enthusiasts are familiar with this lost chapter. For the first time, the text of "The Magic Envelope" has been translated into English so that fans of The Phantom of the Opera can read this forgotten gem. This chapter provides explanations for several enigmas that have puzzled readers since Leroux's first edition, and it offers a fascinating glimpse into the writing process of one of France's literary icons.

The Undergrounds of the Phantom of the Opera *Springer*

This is the most comprehensive analytical study ever done of The Phantom of the Opera in its many different versions from the original Gaston Leroux novel to the present day. It proposes answers to the question, 'why do we keep needing this story told and retold in the Western world?' by revealing the history of deep cultural tensions that underlie the novel and each major adaptation. Using extensive historical and textual evidence and drawing on perspectives from several theories of cultural study, this book argues that we need this tale told and reconfigured because it provides us ways to both confront and disguise how we have fashioned our senses of identity in the Western middle class. The Phantom of the Opera - in varying ways over time - turns out like the 'Gothic' tradition it extends, to be deeply connected to Western self-fashioning in the face of conflicted attitudes about class, gender, race, religious beliefs, Freudian psychology, economic and international tensions, and especially the shifting and permeable boundaries between 'high' and 'low' culture. This book should interest all students of the history of Western culture, as well as those especially fascinated by Gothic fiction, opera, musical theatre, and film.

The story starts with mysterious events: In 1890s Paris, the Palais Garnier is believed to be haunted by an entity

known as the Phantom of the Opera. One day, the stagehand, Joseph Bouquet, is found hanged, presumably by the Phantom. At the same time, Christine Daaé, a young soprano, has been tutored by what she believes to be the Angel of Music, sent by her deceased father. The story is a romantic drama with a flair action. It is a tale of a lonely man that has never in his life known love. When he found someone he might love, he became obsessive, possessive and jealous.

Excerpt: Love Never Dies is a musical with music by Andrew Lloyd Webber, lyrics by Glenn Slater and later Charles Hart, and book by Lloyd Webber, Slater and Ben Elton. It is a sequel to the Lloyd Webber musical The Phantom of the Opera. The plot is not based on the story-line in the original book by Gaston Leroux, and Lloyd Webber has stated "I don't regard this as a sequel - it's a stand-alone piece." The musical is set in 1907, which Lloyd Webber states is "ten

years roughly after the end of the original Phantom," although the events of the original actually took place in 1881. Christine Daae is invited to perform at Phantasma, a new attraction in Coney Island, by an anonymous impresario and, with her husband Raoul and son Gustave in tow, journeys to Brooklyn, unaware that it is the Phantom who has arranged her appearance in the popular beach resort. Although Lloyd Webber began working on Love Never Dies in 1990, it was not until 2007 that he began writing the music. The musical opened at the Adelphi Theatre in the West End on 9 March 2010 with previews from 22 February 2010. It was originally directed by Jack O'Brien and choreographed by Jerry Mitchell, however the show closed for four days in November 2010 for substantial re-writes, which were overseen by Lloyd Webber, and opened with new direction from Bill Kenwright. Set and costume designs were by Bob Crowley. The production is the first time a musical sequel has been staged in the West End....
