It presents a new method for learning and teaching the skills of poetic interpretation, providing its readers with practical steps they can use to construct perceptive, inventive readings of any poem they might read. The Introduction sets out the aims of the book and provides some basic operating principles for applying the seven steps. In each subsequent chapter, the step is introduced and explained, relevant points of interpretative theory and methodology are discussed and illustrated with multiple examples, and the step is put into practice in a final section. Through these final sections, step by step, the book develops an extended reading of a single poem, Letitia Landon's "Lines Written under a Picture of a Girl Burning a Love-Letter" from 1822. That reading is sustained across the whole arc of the book, providing a detailed worked example of how to read a poem. This accessible and enjoyable guide is the ideal introduction to anyone approaching the detailed study of poetry for the first time and offers valuable theoretical insights for those more experienced in the area.

The Seven Steps to Awakening

The Seven Steps to Awakening is the most powerful collection of quotes ever assembled on the subject of how to directly experience the true Self whose nature is Infinite-Eternal-Awareness-Love-Bliss and how to bring the impostor self, its tricks and all suffering to a final end in this lifetime. Most books on the subject of Self-realization are written by those who have only conceptual knowledge and no direct experience of the infinite Self. All seven of the sages quoted in The Seven Steps to Awakening lived in the infinite and their knowledge came from their direct experience of the infinite Self. The quotes in The Seven Steps to Awakening are doorways to liberation and a loving transmission from the Infinite Self to you. When the impostor self attempts to derail you from your journey to Awakening, reading the quotes in The Seven Steps to Awakening can inspire and encourage you to get back on track. Only the most essential and most powerful quotes that have no distractions or detours were selected for The Seven Steps to Awakening. The first collection of quotes describes how to tell the difference between a conceptual journey and a journey to Awakening. The second points out that the world, etc. is a dreamlike illusion. The third reveals why it is necessary to bring the impostor self to its final end. The fourth is about the importance of increasing your desire for liberation. The fifth is for the purpose of encouraging, inspiring and motivating you to actually practice all seven steps. The sixth is about turning your attention inward. The seventh describes the most rapid, direct and effective method that brings the impostor self, its tricks and all suffering to their final end so that you can remain forever in the true Self whose nature is Infinite-Awareness-Love-Bliss.

Seven Steps to Eternity

The True Story of One Man's Journey into the Afterlife *CLAIRVIEW BOOKS*
“I died in the Battle of the Somme...” These were the astonishing first words spoken to clairvoyant and healer Stephen Turoff by the soul of James Legett, a young soldier who was killed in the First World War. For two years, the world famous psychic surgeon communicated with the soldier’s soul, and in the process wrote down his remarkable story; not the tale of Legett’s tragically short life on the physical plane, but of his death on a battlefield in France and his soul’s subsequent journey into the afterlife. Although he works with many discarnate spirits in his clinic, the dyslexic Turoff was initially reluctant to undertake the task of writing a book. But he was persuaded by the boisterous and genial soul of the dead man. Their literary collaboration involved an unusual method: Legett presented spiritual pictures to Turoff, who with clairvoyant perception interpreted them into words. The result is this enlightening testimony of life beyond the illusion of death, filled with insight, spiritual wisdom and delightful humour. It is written to show that we are all eternal; there is no death... only change.
