Soviet Economic Development since 1917 : Maurice Dobb

...

Russia's Soviet era was distinguished not by economic growth or human development, but by the use of the economy to build national power. On the centenary of the Bolshevik revolution of 1917, this column shows that while the education of women and better survival rates of children improved opportunities for many citizens,

Soviet Russia was a tough and unequal environment in which to be born, live and grow old.
