The guides are designed to align curriculum, instruction, and assessment in the content areas of English/Language Arts, Math, Science and Social Studies. It is important to note that while Pacing Guides are used to plan instruction, their implementation may be affected by special events, inclement weather and school closings, or a teacher's need to spend extra time to reinforce instruction based on the results of classroom assessments.

Fourth grade students should refer to the text when drawing conclusions as well as when answering directly stated questions. The central message or lesson is now referred to as theme (a unifying idea that is a recurrent element in literary or artistic work). Students are continuing to determine a theme and expanding this work to other genres.
