Competition rules | European Commission

Preserving and promoting fair competition practice. The EU's rules on competition are designed to ensure fair and equal conditions for businesses, while leaving space for innovation, unified standards, and the development of small businesses. The European Commission monitors and investigates anti-competition practices,

mergers and state aid to ensure a level playing field for EU businesses, while guaranteeing choice and fair pricing for consumers.

Competition | European Union

The European Commission has revised its rules on when competing companies can co-operate to set technical standards without prompting a competition investigation. The Commission enforces EU competition law, which restricts cooperation between competing companies for fear that they will fix prices or establish cartels.

EU plans changes to competition rules on technical standards

Competition rules to ensure that the benefits of standards materialise
Competition regulators pay attention to standard setting because legally a standard constitutes an agreement between companies. However, the Com - mission has always taken the view that there are also clear benefits associated with standard-setting.
