Bethesda has created a rich, and lengthy history to frame their games, and we'll clear some of the confusion that comes by being dropped into it so quickly by examining a few key characters, factions, and events that have shaped the world. If you've played Bethesda's previous Elder Scrolls games, it will catch you up on what has happened in the two-hundred years since The Elder Scrolls IV: Oblivion. If you've never played an Elder Scrolls game, it will provide a great primer to this era of the Elder Scrolls world. The following section will then look at some character building strategies. Since the skill and perk based RPG system of Skyrim offers you a variety of ways to play, we'll consider three classic archetypes that you can follow to a 'T' and some more general advice for character building on which to build your own great character.
