The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and importantly-about giving control back once you are done with it. The book discusses how this works-the psychology of it-and looks at what can go right, and at what can go wrong and how to fix it. It considers the role of authority in the equation, and looks at how to manage the control you have over someone so that it is both effective and rewarding for you both. I believe that a very large part of the activities which we include under the umbrella of BDSM rely explicitly or implicitly on control being asserted over one person by another. My goal in this book is to talk about control, explain what it is, demonstrate it, show how to take it, how to give it, how to manage it, and more. I want you, the reader, to be aware of the ebb and flow of control around you and through you.

Dom's Guide To BDSM Vol. 1

49 Must-Know Tips On How To Be The Perfect Dom/Master Your Submissive Will Truly Respect & Admire *Enlightened Publishing*

Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going

to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn

the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...
