Kidney For Sale By Owner

Kidney for Sale by Owner is a tour de force, demonstrating both philosophical acumen, insight and scholarly care. This is how bioethics should be done! Moreover--and more soberly--given the number of people who die while waiting for a transplant, and the greater number who suffer while waiting, Kidney for Sale by Owner is long overdue. With luck it will be read not just by philosophers, but also by medical professionals and the framers of public policy.

kidney for sale by owner

This is not just armchair ethical
discussion. In 2002 a retired London
general practitioner was struck off the
medical register for revealing to an
undercover journalist that a kidney could
be obtained from a live donor for a fee (
BMJ 2002;325: 510).
