Annual Report Of The Board

Today, the European Fiscal Board (EFB) released its fourth annual report. The report assesses the implementation of the EU fiscal framework in 2019 and highlights several points of stress calling for future improvement. The year 2019 marked the first time in almost two decades without any EU Member State under the excessive deficit procedure (EDP).

Standing committees submit reports at every board meeting. It's important for boards to hear a summary from the Executive Director. The executive committee generally acts as a steering committee to guide the work that the board discusses at a board meeting. One of the most important documents that the board members read is the financial

report.
