Write down what language your source is written in, what country and place it is from, who wrote it (and when), and who published it (and when). Also try to have a record of when and how you got your hands on your sources, and to explain where others might find copies.

How to Do a Discourse Analysis -**PoliticsEastAsia.com**

How to Write a Speech Just like essays, the speech also follows three sections: Introduction, the main body, and conclusion. However, unlike essays, a speech must be written to be heard as opposed to just being read. It is important to write a speech in a way that can grab the reader's attention and helps in painting a mental image.
