Love Medicine Arts - wiki.ctsnet.org

Love Medicine, then, is a book about the prairie that examines the wild, chaotic lives of several Indian families whose lives on

the reservation have immersed them in a dark and often violent existence, one that the author seems to equate with Ahab. It is a world created by a white—shall we say malicious—intelligence, except that behind the scenes hovers an amazing human being, June Kashpah, whose life and recent death still give meaning and hope to its members.

There's lots to enjoy
 about Louise Erdrich's
 Love Medicine which is
 variously badged as a
 novel and a collection
 of linked short stories.
 The insights Erdrich
 gives us into the world
 and lives of native
 Americans from the
 1930s until the late
 twentieth century are
 fascinating - as far as I
 know, little has been
 written about this from
 the insider perspective.
